WHAT'S GOING ON AROUND TOWN

By BILL KATZ

Apparently happy about the whole thing, a speeder paid his fine in the Colma city hall the other day with a word of praise for the arresting officer. As he peeled off a $10 bill from a sizeable roll, the lawbreaker explained:

"I was on my way to Tanforan. I was late, and going mighty fast to make the first race. Half way through Colma, an officer stopped me, and wrote out a ticket. We got talking. I told him I was in a hurry to make the races. I guess he must be a racing fan, too, because he gave me a tip on the third race. Well, I figured maybe he knew what he was talking about, so I took the tip. The horse came in, alright."

The speeder waved the thick roll of bills. "My winnings," he concluded.

Every once in a while Hollywood manages to turn out a picture that doesn't insult the intelligence of an average 12-year-old. One of the more recent productions is "The Third Man." We took in this movie last week end, and glad to report it's well worth the price of admission, if only to hear the haunting

(Continued on Page 2)

SCHOOLS WEEK CELEBRATION

OFFICIALS TAKE OFFICE

Three Councilmen Sworn In At Special Session; Paul Green To Head Council

With the fragrant odor of Iris and Callalilies filling the council chambers Tuesday night, the new city council took office.

Paul Green was the unanimous choice of the council to succeed himself as Mayor of Daly City.

Previous to the nominations for mayor, City Clerk B. C. Ross swore in Green for a second term, A. J. Gaggero for his third term, and newcomer J. H. Kennedy.

Incumbent Mel Battye surrendered his chair to Kennedy, and thus ended his four year term of office.

An air of good natured fellowship was present in the audience of approximately 50 men and women who attended the ceremonies.

Mayor Green said it was "gratifying to have the backing of the people," and he pledged the council would work for "real improvements" in Daly City.

As Kennedy made his first speech as councilman, he asserted the people "may expect me to fulfill my duties of office as best I know how." He concluded with his first official action in office—introduction of a resolution.

The resolution, duly passed by the council, praised Battye for his services while councilman of Daly City.

Battye accepted the honor bestowed on him and delivered a short speech in thanks. During the course of his talk he took a long look at the lilies and iris around the council chamber and inquired: "Are these flowers for the victors or vanquished?"

The meeting closed with brief speeches by past councilmen and Hugh H. Smith Jr., who said he was the only man on record to have at one time finished first in a field of six (1942 elections), and come in sixth in a field of six in the last election.

With this, the special meeting of the city council adjourned.

VOTERS THANKED FOR SUPPORT

To The People of Daly City:

We wish to extend our appreciation and sincere thanks to the voters of Daly City for their overwhelming support of our candidacy for City Councilmen.

Each of us pledges the utmost cooperation towards the completion of the development of our city, and to the addition of bigger and better services for all the people.

It is gratifying to have public support of a program of civic improvements and we shall sincerely work toward the accomplishments of our mutual objectives.

Very sincerely,
A. J. Gaggero
Paul Green
Jim Kennedy

School Board Elections Set For Friday, May 19th

When the filing ended Wednesday at 1 p.m. three persons had entered their names as candidates for trustees in the Jefferson elementary and high school boards.

Claude Hanrahan and Mrs. Mildred E. McGeein are seeking the position of trustee on the Jefferson high school board. Incumbent Remi Sanders did not file.

There will be a definite contest in the elementary school board election. Incumbent Mike Callan will seek re-election, as opposed by D. C. Gensel.

Voters will go to the polls May 19 to elect one of the two candidates in the elementary school district election.

Meanwhile, throughout San Mateo county, contests for trustee

(Continued on Page 2)

BOYS CLUB MASS MEET

Everyone Urged To Attend Wednesday Organizational Conclave At City Hall

Daly City is to be given a second chance next Wednesday night April 26.

At that time officers for the newly reorganized Daly City Boys Club are to be elected. Whether or not this second effort at reforming the club is a success will depend on how many persons attend the Wednesday meeting.

Everyone, regardless of age, occupation or interests is asked to be present at the Boys Club meeting, Wednesday night, 8 o'clock, in City Hall.

Not only will officers be elected, but bylaws for the club are to be adopted, as well as a general framework for reorganization. As this is of interest to every member of the community, it is hoped as many people as possible will be present to voice an opinion.

The decision to hold the Wednesday elections came at a club interim committee conclave April 19. Present at this get together were the temporary club officers and representatives from civic groups who have expressed concern with the club.

P. J. Nolli, temporary chairman, stressed that as far as he could ascertain, money was not the real problem in forming the club. Rather, he said, it was necessary to solicit the interest of every citizen in the community, whether a parent or not.

"Of primary importance is the organization of a group to back the Boys Club, and this group should be made up of every man and woman in the community who wants to help. That will be the purpose of next Wednesday night's meeting, Nolli said.

A three-man committee was appointed to draw up the bylaws for the club. Heading the committee is Walter Rector, assisted by E. W. Gray and Mrs. Marie Miller.

Giving a helping hand on the financial side of the club, $66 was donated by the teachers, principals and staff of Jefferson elementary and $5 from Harry's Market.

This brings a total of $152 contributed by individuals and groups to the Boys Club. While no effort will be made this week to collect additional funds, anyone wishing to help may do so by calling the Daly City Record at JUniper 7-4321.

D. C. Man Finds Flying Saucers . . . Well, Almost

Angelo Moresco, 328 Railroad avenue, Colma, can give an eyewitness story today concerning the now famous flying saucers.

That's right, Moresco actually saw one of the fabulous objects Tuesday afternoon off Coyote Point. He, with a hundred others, spotted a gleaming object flash through the air, crash into the bay waters about a mile off shore.

With two companions, Moresco set out in a boat to greet the "men from Mars." However, when he recovered the saucer there was not a man nor three-headed comic strip character aboard. All Moresco found was a small kite shaped affair with telegraphic code marked on one wing.

Closer examination by the Mills Field weather bureau disclosed that the saucer was only a radar target used for temperature and other data from stratosphere altitudes.

Smith Believes Quarry Property Worth $206,274

Fighting city condemnation proceedings, H. H. Smith Sr., 187 Irvington street, has requested a total of $206,274 for property and damages at the Wellington avenue "quarry."

This came out today as the case of Daly City vs. Smith was heard before Judge Avilla in the San Mateo Superior Court. A verdict is expected to be reached next week, City Attorney Frank Blum said today.

The condemnation proceedings, filed July 20, 1949, stem out of the city's efforts to extend Bruns-

Mayor Paul Green Proclaims Public Schools Week

For 30 years the people of California have devoted five consecutive days annually to the observance of Public Schools Week, sponsored by the Masons of California to improve public understanding of the aims, procedures, and achievements of California's great school system.

This year will mark the thirty-first observance of this significant annual event. Never in all the years since the close of World War I has it been more vital that people renew their acquaintance with the schools, and reaffirm their faith in public provisions for an educated citizenry in this nation where sovereignty rests with the people. In the light of current world conflict and the clash of ideas concerning modes and methods of government, it behooves all citizens to recognize now more fully than ever the wisdom of the great American concept that the most important factor in the preservation of our democracy is universal free education . . . that ultimate victory in the war of ideologies depends upon teachers more than soldiers.

In my official capacity as mayor of Daly City, I therefore proclaim the week of April 24-28 as Public Schools Week in Jefferson School District and urge all local organizations and citizens to join in the observance by visiting our schools, cooperating in the local program, and by giving attentive thought to the significant achievements of universal free public education in our city, in our state, and in our nation.

PAUL GREEN
Mayor of Daly City

Local Drive-In Theatre Gets $80,000 Permit

An $80,000 building permit for construction of a drive-in theatre adjacent to the Concordia district was issued the Starlite Theatre Co. this week by San Mateo county.

It is this same theatre that a few weeks ago was the center of a controversy in the northeast section of Daly City. Residents in the area protested the theatre's plan to use Guttenburg and Lowell as exit and entrances.

Whether or not the company can use Lowell street is still in doubt, and when the theatre is completed this may be the cause of a lawsuit. The city council has gone on record against the drive-in theatre using Lowell, unless they procure an agreement to that effect from the residents in Concordia.

Meanwhile, E. T. Vert, who headed the move to have the theatre use other streets, reports the paving of streets in the area is going ahead, and he expects the job will be completed in less than three months.

Vert also said it his understanding that the theatre will be constructed sometime in July, after the streets have been paved.

The Concordia leader said he was still as firm as ever in his belief that the theatre company should find another means of exit, rather than Lowell street.

PUBLIC SCHOOLS WEEK

Elementary Grades Welcome Visitors April 24 to 28

During the week of April 24-28 all schools of the Jefferson Elementary district will celebrate the 31st annual observance of Public Schools Week.

Demonstrations of school work, exhibits, open house activities and other programs designed to acquaint the public with the work of their schools are to be shown.

Featured in this year's program will be exhibits of pupil work displayed in local business houses show windows. Also planned are tours conducted by school bus for parents of seventh and eighth grade pupils to permit these parents to visit the new home economics and shop classrooms in the Thornton school. These tours will coincide with the evening programs and open house nights at the Crocker and Jefferson schools.

The Crocker school at 649 Bellevue avenue, and the Thornton school at 1st and Castle streets, will have "Open House" on Tuesday evening from 7 to 9 o'clock.

General Pershing school at 631 Hanover street will be "Open" Wednesday afternoon from 1 to 4 o'clock.

Both the Jefferson school at 14 Alemany street, and the Woodrow Wilson school at 43 Miriam street, will hold "Open House" Wednesday evening from 7 to 9 o'clock.

Our new Garden Village school, at the end of Village lane, will be "Open" Thursday evening from 7 to 9 o'clock.

Store window displays will be at Boni Hardware at 7396 Mission street, McGraw's Pharmacy at 6300 Mission street, and El Broadmoor Beauty Salon at 2372 Junipero Serra.

A special feature to which the public's attention is particularly called is the transportation which will be provided by school bus for Crocker school parents on Tuesday and for Jefferson parents on Wednesday during "Open House." Parents will be taken to the home making and wood shop rooms and returned to the respective schools.

In announcing the week's activities, James L. Snell, local school superintendent, stated: "Of course, parents and friends of the schools are welcome to visit at any time of the year, but are especially welcome during this week set aside each year for the annual observance. The board of trustees, teachers and pupils join with me in urging the public to attend one or more of the Public Schools Week activities. The schools belong to all the people and certainly the people should be aware of what is theirs."

Lions Club To Honor School Patrol Boys

Paying tribute to the work of the School Boys Patrol, the Daly City Lions Club, May 12, will take 25 of the boys to a free baseball game.

The game, to be held between the Seals and Oaks, is one of the best of the season. As guests of the Lions, the young "policemen" will be seated in boxes along the first base line, and given all they can eat and drink.

Traffic boys honored this year by the Lions are from the new Garden Village school and from Jefferson elementary school.

Jefferson High To Hold Show Next Friday

Jefferson high school will observe Public Schools Week Friday evening, April 28, in the school auditorium.

This year's display will be quite different from those previously held. The displays will not be in the different classrooms, but in the auditorium.

Each department will have a booth at which its work may be seen. The English department will present the winning essays from the Lincoln and Jefferson essay contests. The text books which are used in the classes also will be available for examination. Also, in this department will be samples of recordings and makeup in the drama classes.

New books will be exhibited by the library. Parents will be interested to see the many current vocational pamphlets which the students use in planning their futures.

Tests of reaction time are to be shown in the social studies booth. These tests are used in driver education to show students what may be expected at various speeds.

Jefferson's many fine shops also will be represented. Furniture made in the wood shop, jewelry produced in art metal, an electronic burglar alarm from radio shop, a cut-away engine from auto shop, and drawings and machinery from the machine shop may be viewed.

Colorful paintings and drawings from the art department as well as pictures from the photography class will be available at still another booth.

The work produced in the Spanish, Latin, and German classes will be shown. The Spanish department has made tape recordings of classroom activities and will play these at the exhibit.

In the science display chemistry students will be carrying on experiments just as they do in the laboratory. Also on view will be three dimensional diagrams of 18 elements made by one of the students and a periodic chart made by another. Physics equipment will be seen as well as the work done in the general science and biology classes.

Parents and friends will be able to watch some of the commercial department in action. Demonstrations of typing and shorthand as well as the use of the other machines will be shown. In this department, too, the maps which have been made in commercial geography will be displayed.

(Continued on Page 2)

Who Voted For Daly City Mystery Candidates?

Biggest question of the week in Daly City political circles is who voted for James C. Clarke, 222 Los Olivos, and Hollis Bray, 220 Los Olivos.

These two neighbors each received one vote in precinct "F" at 198 Hillcrest drive, during the recent city elections. Although not qualified candidates, they are by far the most mysterious in this year's election.

Clarke, a resident of Daly City for the past 10 years, is a United States customs inspector who has never run for any political office. He admits he can't figure out who would cast a ballot for him. Equally puzzled is Bray, a Colma mechanic, who is a good friend of Clarke and has never sought a political job.

Both men would welcome an answer to this mystery. The voter who wrote in their names on the ballot would do them a personal favor if he or she would make himself known.

OUT OF THE DESERT TO LEAD THE MAY DAY MARCH

Astride one of the 20 Arabian Stallions that will lead the Daly City May Day parade May 7 is Eddy Allen, march chairman. The Arabians will be in parade along with 700 other horses. Also to be featured will be the outstanding drill teams, bands and other organizations of the Daly City area.

Walter Moore To Head May Day March In Daly City

Walter Moore will be the grand marshal in this year's May Day celebration in Daly City, Eddy Allen, parade chairman, announced today.

Moore will lead the parade which will wind through the main streets of Daly City on May 7.

Allen reports today that he has received hundreds of applications of those interested in participating in the march. Among these are requests to enter floral floats, drill teams, and fine horses.

The newly reorganized Daly City Boys Club will also take an active part in the parade, a club spokesman announced today.

Others who will participate include the Daly City Band, under the direction of George Brenner; the Loyola YLI, with its 22 girl drill team, and members of the Daly City area Boy and Girl Scouts as well as Cubs and Brownies.

Sheriff James McGrath is to lead the famous Sheriff's posse of thoroughbred horses.

Meanwhile, plans were also proceeding for the pageant to be staged at Jefferson High school after the parade. The lovely young queen is being fitted for her costume this week, as are her four attendants.

Allen noted that May 1 is the last day entries will be accepted for the parade. All those wishing to take part in the march are asked to call him at JUniper 5-0850.

BOB DUFFY GIVEN FULL SUPPORT AS CANDIDATE FOR COUNTY RECORDER

Strong support was forthcoming from all sections of San Mateo county this week for Robert Duffy, 141 Los Banos, candidate for the post of county recorder in the June 6 primary.

The support comes from housewives, city officials, laboring men, club women, and almost every element in the county.

Duffy, 47, for the past eight years has been deputy county clerk and clerk for Judge Scott of superior court. He is the only north end representative in the Redwood City courthouse.

A resident of Daly City for the past 23 years, Duffy is the father of two children. His son Rodney is in the U. S. Navy, while his daughter Bettie attends Jefferson high school.

(Continued on Page 2)

Belated Daly City Easter Egg Hunt Hailed A Success

Thanks to the beautiful weather last Saturday and the wonderful cooperation of all concerned, both the northern and southern Easter egg hunts were successful.

The weatherman more than made up for the wet weather he gave Daly City Saturday, April 8, by giving the city one of the nicest days of the year for the Recreation Department's third annual Easter egg hunt. Even though the egg hunt was a week tardy, about 900 parents and children turned out to participate in the hunt.

Erle Johnson, chairman of the south side hunt, reports that the following boys and girls were the lucky finders of prize eggs and were presented their prizes after the hunt.

In the five-years-and-under age group the following: Cathie Albie, Bobbie Allen, Linda Van Hagen, Vicky Ann Gerrard, Donney Lee and Yonlanda Tarango.

In the six to eight years, inclusive, group these children: Lucille Whitney, Joan Chester, Alta Johansen, Virginia Pezzola and Michel Laffarty.

In the nine to twelve years, inclusive, age group the following: Donna Hiett, Jimmy Cokinos, Bucky Harries, Ronald Kingston and Paul Dallas.

Unfortunately the names of the children who found prize eggs at the northern site are not available; however, Elman Rose, chairman of the north side site, reports that everyone had a fine time there, too.

In closing the Daly City Recreation Department wants to thank all those wonderful people who gave their time and effort in helping us make this year's Easter egg hunt a successful event. If we overlook any of the many who helped, please forgive us, it will not be intentional.

Helping Mr. Johnson at the south side site were Mrs. Schroeder, Mrs. Miller, Mrs. Kennedy, Mrs. Dennis, Mrs. Saarinen, Mrs. Heagney, Mrs. Thur, Mr. and Mrs. Mike Orlich, Jack Fischer and Glen Smith.

Helping Mr. Rose at the north side sight were Mrs. Schmidt, Mrs. Hobbs, Mrs. Traxler, Mrs. Eason, Mrs. Gensel, Mrs. Ingersoll, Mrs. Ennis, Mrs. Lauffenburger, Mrs. Larson, Ed Cassilago, Herb Osuna and Bucky Linhares. The Girl Scouts were the Easter bunnies who hid the eggs at both sites. Many thanks, girls.

Vaudeville Acts Prepare For D. C. Lions Club Show

Vaudeville will be back in Daly City in all its glory May 2, when the Lions Club puts on its fourth annual show at the Daly City theatre.

Bob Duffy

(Continued from Page 1)

In addition, Mrs. Duffy has always taken an active interest in public affairs. She is a member of many local women's clubs, and has just received her life membership gold pin from the PTA.

Among those who came out for the candidacy of Duffy today were:

Daniel J. Creedon, mayor of San Mateo; Bradford M. Melvin, attorney and inheritance tax appraiser, San Mateo; James A. Connelly, real estate, Belmont; Kenneth Sim, real estate, Atherton; Oliver Cortesi, hotel and restaurateur, South San Francisco; Elizabeth M. Maes, past president of the V.F.W. Auxiliary, San Mateo; Dorothy V. Gebhardt, housewife and club woman, South San Francisco;

Peter J. Markovich, insurance and civic leader, Daly City; Ella McNutt Daniel, real estate and insurance, Redwood City; Stanford Hannah, principal Jefferson high school, Daly City; Emil G. Steinegger, builder and contractor, Redwood City; Pauline S. Blech, nursery (Roger - Reynolds), Menlo Park; Theodore M. Lilienthal, real estate, San Mateo; John Mongan, vice principal Jefferson high school, Daly City; Edwin J. Cox, restaurant owner, San Mateo;

Ann Eason, housewife and civic leader, Daly City; Claude E. Hanrahan, vice president Broadmoor Improvement Club, Daly City; Hilda Bruns, houswife and civic leader, Burlingame; Richard O. Stacks, investigator and former C. H. Patrol officer, Redwood City; Frank Garibaldi, nurseryman, Colma; Patrick C. Patey, executive, title company, Colma; Barney L. Meeden, retired lieutenant colonel U. S. Army, Millbrae; J. S. Mathews, high school coach and teacher, Burlingame; Joseph Fulford, high school teacher, Pedro Valley; Alice McCall, insurance investigator, South San Francisco; Charles N. Thompson Jr., auditor, Board of Equalization, South San Francisco; Merome S. Heller, manufacturer's agent, Daly City; Jack Gordon, police commissioner, Colma.

Around Town

(Continued from Page 1)

either melody. After viewing the film, it is hard to say whether the acting, photography, or script made it a success. However, one thing is certain. At long last Hollywood has realized the value of using real people in films, instead of the stereotyped regulars who are the same whether playing the villain or saint.

Then there was the 14-year-old boy who, for no reason at all, last week opened the door of a local pub, took aim, and threw a large hunk of grass sod at the back of a customer. The customer took chase and apprehended the lad two blocks away. The boy was severely reprimanded, and warned that there is no place for a "sod" in Daly City taverns.

Exponents of the "body beautiful" may have something after all. A cursory glance at the San Francisco beach this Sunday revealed that at least 50 per cent of the sand lovers wore apparel other than the traditional bathing suit. The reason for their reticence to reveal was made evident by those in ocean uniforms. Indeed, here and there could be seen a few "beauties," but the majority of sun lovers showed by their anxious lines that calories have a habit of settling in the "darnedest" places. One lady, who incidentally did not wear a bathing suit, summed it up nicely by a scathing remark on the physical attributes of the bathing suit crowd: "People are so human looking."

School Board

(Continued from Page 1)

in 25 other elementary school districts will be held May 19. Of the 44 candidates who have filed, contests are expected only in the Bayshore, Jefferson, Brisbane, Las Lomitas, Millbrae, Portola and Ravenswood elementary districts.

Contests are also expected in the South San Francisco and Sequoia Union High School districts.

As reported in last week's Record, Mrs. Berta Hughes and David G. Barry Jr. will seek the one trustee position on the Bayshore elementary school district board.

Jefferson High

(Continued from Page 1)

Samples of mathematics work done in the algebra, general mathematics, geometry, and solid geometry will be viewed at still another booth.

While the exhibits are open, there will be some added entertainment on the stage. The dance band will play at 8 and again at 9. At 8:20 the boys' tumbling classes will perform and at 9:15 there will be modern dancing by the girls' physical education classes.

During the entire evening the teachers will be present in their respective booths to visit with the parents and answer any questions they may have. This is a chance to get better acquainted with your children's teachers and to see the work the schools are doing. We urge you to take advantage of this opportunity.

Vaudeville Acts

(Continued from Page 1)

this country will perform at the show, including an outstanding dance team, singers, magicians, and the Daly City Cowboys.

Pat Austring, a Jefferson High school student, will also take part in the show.

As reported earlier, the theatre will show a sneak preview of a first run movie.

Tickets may be purchased from any Lions club member. All money from the show is to be used to assist the club in its many civic activities.

Meanwhile, the flying saucers which advertised the event, showered down on this community last Sunday. It is reported that many a youngster found the lucky saucers which entitled him to a free bag of popcorn at the Daly City Theatre.

Grand winner of the saucer find however, was Joe Lewkowitz Jr., who discovered four of the paper plates.

Smith Believes

(Continued from page 1)

wick street through to Hillside boulevard. This will entail cutting through about three-quarters of an acre of Smith's property between Hillside and Wellington, generally known as the "quarry."

Earlier the city offered Smith $5,022 for the land. Smith is requesting $47,040 for the property itself and $159.234 for severance damages, he said.

The damages arise from Smith's contention that if the street is extended it will not only make valueless the three quarters of an acre, but also most of his land in the quarry.

It is on this same property that Smith hopes to construct a million dollar motel. He says that if the city is given the "heart of the land" the rest of the property will be useless for his proposed motel.

Eagles Auxiliary To Give Spaghetti Dinner Next Week

Spaghetti by the dish full is to be served Tuesday, April 25, at the Colma Vista Grande Aerie No. 948 FOE Auxiliary dinner.

Everyone is invited to attend the feed which will be held in the Aerie Hall, 3346 San Jose avenue, beginning at 6:30 p. m.

Tickets for the affair are now available from Lynne Boskey at the Daly City Beauty shop.

Following the dinner a regular meeting is to be held at which time officers for the coming year are to be nominated.

Meanwhile last Tuesday the Auxiliary observed its second birthday party with a banquet at the Club Casino. Some 97 members were present.

The Aerie presented the Auxiliary with flowers. This was followed by the revelation of secret pals, and a speech by Mayor Paul Green.

Church Sponsors Sunday Ham Dinner

Jointly sponsored old fashioned ham dinner is to be held Sunday, April 30, from 4 p. m. until 7 p. m. at the St. Michael's Church parish hall, 32 Broad st., San Francisco.

Sponsors of the dinner will be the Immaculate Conception Sodality and the Holy Names Society of St. Michael's.

Feature of this dinner will be the homemade apple and boysenberry pies baked by the food chairman, Mrs. Josephine Dunne.

Miss Yolanda Bernardi, prefect, and John Carroll, president, are the general chairmen for the affair. Father Edmund J. Kenney, pastor, is the honorary chairman.

Letter to the Editor

Crocker Student Body Thanks Fire Department

(Following is a letter written to Fire Chief J. E. Kennedy by Miss Marjorie H. Tobias, principal of Crocker school. Although not directed to the Editor, we feel it is well worth printing here.)

Dear Chief Kennedy:

I wish to express the thanks and appreciation of the Crocker student body and faculty for the prompt, efficient, and courteous response which was shown us, when we found it imperative to turn in a fire alarm for the Crocker school.

We feel very grateful that "our" fire department is so very well organized and proficient. Again accept our gratitude and appreciation.

Sincerely yours,
MARJORIE H. TOBIAS
Principal, Crocker School

New Arrivals In Daly City and Vicinity

To the wife of John H. Gold, 4 Garden lane, April 6, a daughter.

To the wife of David J. Boicelli, 75 Mateo avenue, April 11, a son.

To the wife of Richard C. Morgan, 568 MacArthur drive, April 13, a son.

To the wife of James E. Pierce, 935 Bradley drive, April 11, a son.

To the wife of Louis A. Williams, 427 Niantic avenue, April 11, a son.

"Record" Reminiscence

From the Record 10 Years Ago
April 17, 1940

To the enthusiastic applause of more than 200 spectators attending the council meeting Monday night, John J. Fahey became mayor of the city of Daly City. He replaces Paul G. Selmi, who has held that position for the past four years.

Culminating years of research and planning, the doors of a modern $25,000 dental-medical center will swing open within the next three months at 6273 Mission. Plans for the building were drawn up by Dr. W. J. Lantheaume.

James Ferguson, principal of Jefferson High school for the past 12 years, this week had his contract renewed.

Local schools will hold open house all of next week, in observance of the 21st annual commoration of Public Schools Week in California.

With Charlotte Weait and Evan Gillespie playing the lead, Jefferson High school will present a three-act playlet, "Pleased to Meetcha," this Friday.

Police Chief A. L. Hinton retired this week from the chief's job to lieutenant. James G. Reardon is to be the new chief.

Miss Laura Lombardi, president of the newly-organized Moon Riders club, Miss Eda Venturi and Miss Elma Perini were guests at a birthday party at the home of Miss Elna Franzetti Sunday evening.

Kiddies Birthday Club

At last Saturday's Kiddie's Birthday Club matinee at the Crest theatre, Mission at School streets, Roy Rogers was the feature attraction with his horse Trigger.

Roy got mixed up with the cavalry of the North and South in the Civil War in the running of the mail for the Pony Express. Popeye and Olive Oyle took a balloon ride, and Popeye's habit of eating spinach saved Olive Oyle from her fate.

Honored among the Birthday Club attendants was Robert Perry, 7, who brought a party of ten to help celebrate his birthday. Robert lives at 225 Urbano street, San Francisco.

This Saturday's program will include four cartoons, "The Lovable Cheat," starring Charles Ruggles, one of the screen's favorite comedians, and the picture "Lost Boundaries."

Mothers are urged to phone PLaza 5-9852 or PLaza 5-4679, giving the name, age and address of those children having birthdays this week so their children can be honored at the Birthday Club Saturday. The show starts at 1 p.m. and ends at approximately 4:20 p.m.

Watch this column weekly for the club activities and the names of the children who have had birthdays.

St. Augustine, Florida, was founded by the Spaniards in 1565.

Oregon has the greatest reserve of standing timber in the nation.

The latitude of San Francisco is farther south than St. Louis, Mo.

Annual Family Picnic Planned By Cub Pack No. 62

by D. C. Gensel

Cub Pack 62 will enjoy their annual family picnic at the San Mateo Memorial park June 11. The families of all the boys are invited to attend. This is to be quite an affair, with games for all. It is planned at the present time to wind up the affair with a huge wienie roast. The prizes and wienies and soda pop will be free to the winners. Prizes will be awarded to all age groups.

Reservations have been made with the San Mateo recreation commission for the picnic. These are a few of the features of the area: scenic trails among giant redwoods, swimming pool with lifeguard service, barbecue pits and picnic tables and benches, cleared area suitable for games and sports running stream and a refreshment concession.

On Saturday, May 13, the boys will be treated to a tour through the United Airlines. It will be necessary to leave from the General Pershing school at 9 a.m. sharp. Details will be furnished the parents of boys concerned in sufficient time to allow for transportation. It will not be necessary for the boys to bring their lunch as the tour will be completed by noon.

The next regular pack meeting will be held at the General Pershing school at 7:30 p.m. on Monday evening, May 8. A decision has been made to continue the pack throughout the summer months.

OBITUARIES

John L. MacCarthy

Funeral services were held last Saturday from the W. C. Lasswell chapel for John L. MacCarthy, 76, resident of Daly City for the past 26 years.

MacCarthy, a retired railroad employee, died at his home April 13. He was a member of South San Francisco Masonic Lodge No. 212 and the Foresters of America.

He is survived by his widow, Bertha, three sons, Ernest, Charles, and James, and a sister, Mrs. Alice Pechotsch, all of Daly City.

Inurnment was at the Olivet Memorial Park.

Frank Avilla

Frank Avilla, 68, died April 13 at the Millbrae Sanitarium.

He was a long-time resident of Daly City, and resided at 1228 Brunswick street. A retired mechanic, Avilla was a member of the Daly City Rod and Gun Club and the Automotive Machinist's Union No. 1305, San Francisco.

Avilla is survived by his widow, Anna.

Funeral services were held last Saturday at the W. C. Lasswell chapel. Interment was in Greenlawn Memorial Park.

Michael Logue

Requiem high mass was recited at St. Michael's church Wednesday for Michael Logue, 76, 37 Acton street.

Although a resident of San Francisco, Logue lived close enough to Daly City to be well known in the community. He had resided at the Acton street address for the past 22 years. At one time Logue operated a business in the Daly City vicinity.

Logue died at home last Sunday, after a long illness.

He is survived by his widow, Mary, and a sister, Mrs. Bridget McKenna, both of San Francisco.

Interment was at Holy Cross cemetery.

William Loomis

Funeral services were held Tuesday from the W. C. Lasswell chapel for William Loomis, 69, 115 Flournoy street.

A long-time resident of Daly City, Loomis was employed as a San Francisco street car conductor until his retirement.

He is survived by his widow, Rose; two sons, Thomas and William Jr., and two daughters, Mrs. Alex R. Cameron and Mrs. Virginia Wentz, all of Daly City and San Francisco.

Also, he had one sister, Mrs. Mary Furman of Roxbury, New York, and three grandchildren.

Interment was at Golden Gate National cemetery.

SPEAKER

R. W. Jackson

Automobile Club Official Speaks To Jeff Audience

Speaking before a Jefferson high school assembly last Friday, R. W. Jackson, director of public relations for the National Automobile Club, called for further driver education.

Jackson said:

"Over the past few years there has been a marked change in the trend of automobile accidents, though it has not been very effectively shown to the teen-age group, we feel that there are many established reasons why.

"1. It has not been definitely established in the minds of the teen-agers what constitutes a good driver and a safe driver.

"2. Many think that after having completed a course in driver education and possibly ten weeks behind the wheel of a vehicle, which is just barely enough to get by the driver license inspector, they are from then on good drivers.

"An expression of attitude is the most important phase in driving habits confronting the motorists today, and of course this brings up the important factor of lack of courtesy.

"It might be set forth for all drivers that they should properly gear themselves to their training and experience, as well as their physical ability to determine how proficient they are with their operation. A good mechanic, engineer, musician, doctor, manufacturer, executive, athlete, etc., must spend years in training and experience to gain proficiency in doing their jobs properly and to be successful.

"With 40,000,000 motor vehicles in the United States, driving a motor car is a full-time job on any street or highway in this country. Today our bus drivers, truck drivers, and transports drivers spend years learning and training to gain experience so that they may combat the elements on the road, to protect lives and equipment, and so that they may continue in their vocation without recess due to accidents while carrying out their assignments.

"It is therefore fitting that we give a word of warning to the new drivers, and the old drivers, so that they will check their training and experience and their physical ability to operate a motor vehicle on the highway, and to determine how proficient they are in dealing with the elements they are confronted with in operating a vehicle safely and extending an expression of courtesy, which we feel is a matter of attitude that is lacking with the motoring public today."

Burglars Enter Oliver Street Home

Forcing open the front door of the Edward Peck home, 164 Oliver street, Monday noon, unidentified thieves entered the house and stole two watches.

The burglars went through several bedroom drawers, but took only an empty leather wallet, a man's watch, a woman's lapel watch and a pair of socks. The wallet and socks were found later outside the home.

Mrs. Eleanor Henning, 115 Winchester, called police when she heard noises on the back stairs of the Peck home.

Correspondents Wanted In Broadmoor, Colma, Garden Village

The "Daly City Record" wants correspondents in the BROADMOOR, COLMA and GARDEN VILLAGE areas. These part-time news writers are needed so this paper may better serve the readers in the aforesaid areas. It is preferred that correspondents be active in club and social work in their respective districts. Anyone interested is asked to contact the "Daly City Record" at 3317 San Jose Avenue, Daly City, or phone JUniper 5-3215.

Thomas Bocci Jr., Candidate For First Township Judge, States His Platform

Thomas Bocci Jr., prominent Daly City attorney, this week stated his platform for the judgeship of the First Township in South San Francisco.

Following is Bocci's statement:

On June 6th you will be called upon to elect a Justice of Peace to succeed Judge John J. Fahey

Jr. who resigned January 1, 1950.

In asking your favorable consideration of my candidacy for this office I respectfully submit the following facts:

I am a native of California, having been reared in Colma, San Mateo county, since birth. I attended Jefferson Primary school and St. Ignatius High school. I was graduated from the University of San Francisco in 1943.

I have practiced law with Judge John J. Fahey Jr. since his return from the Service in 1946.

If our judicial system is to be maintained at the high standard necessary for the successful administration of the law, our judges must not only possess good character, ability and experience, but they should also be industrious, patient and tolerant. Above all, they should constantly remember that they are the servants of the people and the trustees of a great tradition.

I believe that a judge should firmly maintain the dignity of the court over which he presides while at the same time being considerate and courteous to counsel, litigants and witnesses.

If elected to the office of Justice of the Peace I shall work hard to continue that practice. I respectfully solicit your consideration of my candidacy and trust that I may have your endorsement and support.

Respectfully submitted,
Thomas L. Bocci, Jr.

Amador county was created in 1854.

Florida has the longest coastline of any State.

The City of San Francisco was incorporated April 15, 1850.

The summit of Mt. Whitney rises 14,496 feet above sea level.

Sonoma county was the site of Russian settlements, 1812 to 1833.

Georgia grows four times as many commercial nuts as any other State.

California is the only state in the nation in which iodine is produced.

The state capitols of Massachusetts and Maryland antedate the American revolution.

COLMA --- BROADMOOR GARDEN VILLAGE

AROUND THE VILLAGES

with Verna Duste

Speaking of social gatherings and who was?) the VFW Auxiliary will have its regular monthly teeth-baring today at 12:30.

Now, now, we shouldn't say that — so we'll retract it.

"The VFW Auxiliary will present its regular monthly canasta party at 12:30 Friday afternoon, April 21, at the Colonial. A style show will be presented for the pleasure of those ladies attending, through the courtesy of Leslie's of the 'Shopping Strip' in Broadmoor."

There!

Easter Egg Hunt

Of course, you've all heard about the big to-do at the Brugge's on Easter Sunday — an Easter egg hunt, yet! With 13 would-be hunters, and they all came home with something, which, from what we've heard, is a new departure in Easter egg hunts!

The hunters included Buddy and Susie Hess, Johnny Hess, Pamela Meitz, Nancy and Barbara Gollahay, Bruce and Billy Spry, Colleen Brugge, Ken Magoon, Jimmy Woverland, Michael and Lydia Herrin. Each child had an egg (traditional hard-boiled — egg, not child!) a little basket and chocolate rabbit for which to look. Mrs. Brugge also arranged for three prize eggs. At last report, 3 mighty pleased kids scattered to their homes, leaving the garden —intact! (We know, you thought it would be in pieces!)

Welcome Home

Welcome home to Dorothy Heim of Village lane, who is home from Letterman General Hospital. Let's hope some of this wonderful sunshine and warm air (ordered specially for you) will do you some good, Dottie!

Also on the sick-but-mending list is Irene Sheeley, up on Nimitz (yes, Sam, she lives in "Sheeley's Shingle Shak" of Herb Caen fame!), who is recuperating from an operation.

Come home soon after your operation, too, Eleanor Frediani, the 700 block on Washington doesn't seem the same!

Our sincere sympathy to Mrs. Patrick Patey (Maryon), who lost her mother quite suddenly. We all feel for you, Maryon, and will be looking for the usual "smile a la Patey," as usual. Maryon is away for a few days in Los Angeles.

Home at last is little Johnny Murphy. Mama Vi and Papa Vin had to leave him in the hospital when Vi came home — seems they have a weight minimum. Anyhow, Vi proudly informs us he doesn't know day from night — seems the nurses took to him (my, my, and so young, too!) and had him lying across their laps most of the time, so guess where he wants to be— most of the time! Yep, that's it, on Mama's lap.

Well, kids, that about does it for this time, and the Pink-and-Blue Dept. hasn't even been scratched!! C'mon, you proud fathers, give us a call — PL 5-1865. We're home almost all the time, now, except for necessary dashes to the store—so despair not! Let's have the news.

People-Are-Talking-About: The Market is almost finished, and have you heard about the stunt of the year? The little market will close one night, and the big one open next morning, which sounds like a BEEEEEG MOVE to us!

Selah!

Spinning Bottle Makes Case For Boys Club

Chalk up another case for juvenile delinquency, and a need for a Boys Club.

Early last Sunday morning, a car full of youths sped by the New Colma Market, Reiner and San Pedro avenue. One of the unidentified boys threw a beer bottle out of the speeding machine.

Spinning through the air, the bottle came to rest inside the market, after it had smashed a plate glass window.

Canasta-Style Show Coming This Friday

Combining a canasta party with a style show, members of Lake Merced Post No. 9921, VFW Auxiliary, will meet at The Colonial Friday, April 21.

The party begins at 12:30 p.m., and is open to all Auxiliary members and their invited guests.

Dresses for the style show will be furnishd by a prominent shop in the Broadmoor area.

CONNECTING STREET OPPOSED

900 Broadmoor Residents Are Against Proposed Planning Commission Route

Despite protests of some 900 Broadmoor residents, this Friday, April 21, the county planning commission is expected to recommend a connecting street near White.

The proposed street would connect Broadmoor and Westlake. Route of the road will be approximately 300 feet east of White, north to the Westlake shopping center, thence northeast to the intersection of Highway No. 1 and Skyline boulevard.

Protesting this move, the Broadmoor residents assert such a street would prove a hazard to school children as it would run through the Garden Village school grounds. The residents, however, are not opposed to any connecting street. They have asserted they are in favor of a route somewhere west of the school grounds, near Maddux.

The commission has stated the street they propose is the only feasible one at this time. They say one west of the school grounds would not handle traffic, although at some future date another connecting street will be put in near that area.

This week the Jefferson elementary school board also took a stand on the issue. In a letter to the commission, the board said that as long as such a route was necessary the best one would be the route proposed by the commission.

The board believes that this street would be the one "least likely to disturb the school."

James Snell, school superintendent, asserted that during school hours the street should not be too great a hazard. He said the grounds near the street will be fenced and a large underpass will be installed to allow safe movement between the lower and upper schools.

The board has been forced to reach this decision as they must secure the abandonment of White street, which runs directly through school property, before plans can proceed for an upper Garden Village school. The commission has stated it will not abandon White street until a connecting route has been approved.

It appears now that the only recourse the Broadmoor residents have is a direct appeal to the county board of supervisors. For, while the planning commission may recommend action, the final move must be approved by the supervisors.

The protests of the residents were first heard last Thursday at the regular meeting of the Broadmoor Property Owners association. At that time a petition, signed by close to 900 homeowners, was presented to the association.

A discussion followed in which the petitioners made the following points in opposition to the route near White:

1. The street will cut through an area to be used by school children seven days a week for recreation.

2. Present Broadmoor police protection could not handle the heavy traffic on the street, especially after school and on week ends. Therefore, the road would be a menace to all children living in the area who played on the school grounds.

After the hearing members of the association board of directors said they were in favor of a connecting street. However, they did not specify where the street should be located.

Some of the board members stated they were not certain the petition represented the majority of opinion in Broadmoor.

The next day, Friday, a special meeting of the planning commission was called to discuss the proposed street.

The petitioners repeated their arguments, and introduced a letter from the National Safety Council, San Francisco, signed by Iver C. Larson, managing director. The letter was dated March 29, 1950.

"If possible, every school should be constructed as far as possible from any source of danger to the pupils. This is an axiom of common sense," the letter stated.

However, the communication went on to say:

"It is true that just before, during, and just after school hours is a period of comparative safety for school-going children. . . But, an hour after school, and on week ends and during holiday periods there is little or no protection offered to the children. . . "

At this point Charles Becker, a representative from Westlake, arose and read a letter from the same council, signed by Larson, and dated April 14, which read:

"If the property (school grounds) are guarded from the street in the manner proposed . . . the proposed street will be safer than most of the streets the children will cross on their way to and from school."

This apparent contradiction by Larson appeared understandable in that he was referring in the second letter only to the relative safety of the school grounds during school hours and not after school and on week ends. He also wrote the second letter under the assumption that the school grounds will be properly patrolled and fenced.

Those who circulated the petition in Broadmoor include Mrs. Eleanor Meitz, Mr. and Mrs. Ken Brugge, Arthur Hess, Cedric Ladd, Walter Dorn and Frederick Hehnell.

Colma PTA To Install Officers May 10

The Colma PTA regular business meeting was held Tuesday, April 11, in the Colma Community Center.

Guest speaker for the afternoon was Thomas Bocci, attorney-at-law. He told of the causes of juvenile delinquency, and how parents may combat those causes.

Mrs. Angelo Tuvo was elected to be corresponding secretary for the next year.

Mrs. Edward Dennis and Mrs. J. D. Hopper were elected to attend the state PTA convention at Santa Cruz in May.

Installation of the new officers will take place at a dinner party May 10. The dinner will be held in the Colonial dining room, Junipero Serra boulevard, at 6:30 p.m. All members are invited to come and enjoy a social evening. Mrs. M. Pauline Brown will read the history of the Colma PTA. Reservations: Call Mrs. Allan Mori, PLaza 5-1235.

Fresno county was organized in 1856 from portions of Mariposa, Merced and Tulare counties.

Church Emphasizes Missionary Work

"Christians — Light of the World!" will be the theme next Sunday at Lutheran Church at Broadmoor (temporarily located at Community Recreation Center, White street near 87th in the village).

The 11 o'clock service will be preceded by Sunday school at 9:40 a.m. The weeks from Easter to Pentecost are being used by the Lutheran Church — Missouri Synod this year as a special missionary emphasis period for the church's children and youth.

Lutheran Sunday school of Broadmoor will stress the missionary opportunities for the Christian Church in Japan. All children of the Sunday school are urged to be present.

Tonight, April 20, at 8 p.m. the first in a series of lectures on the fundamentals of the Christian faith will be begun at the home of Mr. and Mrs. Averill, 1715 Louvaine drive, Broadmoor Village. Adults who wish to use this opportunity to review the chief doctrines of the church, are welcome.

You may notify the pastor by calling SEabright 1-1523.

ROCKY ROAD TO KNOWLEDGE

Education comes much easier today than it did a generation ago. Before the advent of the school bus and other modern facilities, rural children often walked several miles to a little country schoolhouse where they acquired the rudiments of knowledge.

Conditions in the cities and towns were some better, but were far below present standards. Vast strides have been made in the field of education, both urban and rural.

But hard work and diligent application are just as essential in the acquisition of learning today as they were a generation ago. There is no royal road to knowledge. The path to learning is through rugged areas and over crude, rocky roads.

The basis of true education is spiritual, not material. Schools that fail to inculcate a knowledge of God and a spiritual interpretation of life are failing in their highest purpose. The Church and the school are coworkers in the field of human knowledge. We must give them our support.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Broadmoor VFW Post & Auxiliary Install Officers

New officers of both the Lake Merced Post No. 9921, VFW, and Auxiliary, were installed at a joint ceremony in the Colma Community center last Friday.

The hall was decorated with spring flowers and each of the ladies was presented with a corsage.

Taking charge of the Auxiliary installation were members of the Corporal James L Wilson Post No. 2310 Auxiliary of Redwood City. Mrs. Alice Foulks was the installing officer for the Auxiliary.

A special drill team from the General Jacob H. Smith Post No. 83, San Francisco, led by Robert Murray, was in charge of the post installation.

After the ceremonies a dance was held in the hall to honor the new officers.

Gladys Holt, new Auxiliary president, took the gavel from Mrs. Astell Harding, retiring president.

Other new Auxilary officers include: Marjorie Franklin, senior vice-president; Carol Hocking, junior vice-president; Anita Woods, chaplain; Mary Attebery, conductress; Gigi Blont, guard; Dorothy Goodwin, three-year trustee; Margann Patey, one-year trustee; Robin Kelleher, treasurer; Stella Magoon, secretary; Edith Icopetti, historian; Alberta Stankas, patriotic instructor; Dorothy Heim, musician.

New officer for the Post include: Jack Kelleher, commander; Patrick Patey, senior vice-commander; Gregory Wood, junior vice-commander; Lawrence McGood, quartermaster; Roy Buckley, chaplain, and Anthony Stankus, surgeon.

The Palace of the Legion of Honor in San Francisco contains 19 main-floor art galleries.

Butte, Montana, has produced more copper and silver than any other single district in the world.

Ground was broken for the world's first cable street railway in San Francisco on June 2, 1873.

Holy Year Fashion Show Presented By OLPH Mothers Club This Saturday

With a view toward Holy Year, the Mothers' Club of Our Lady of Perpetual Help church and school will present their second annual Spring Fashion Show Saturday, April 22, at 1 p.m.

The show is to be a panorama of a trip, via TWA, to St. Peter's. Eight models will demonstrate what milady will be wearing in this year's Holy Pilgrimage to Rome.

Clothes will be furnished by Hale's Grant avenue store, and TWA will describe the sights to be seen on the imaginary trip.

Mrs. Janet Gray is the capable lady of the Mothers' Club in charge of the models and clothes.

The fashion luncheon will consist of the famous ham and potato salad combination made successful last year. In charge is our own Ann Drury and Camille Clarke.

Spring colors and spring flowers will prevail, and we are anticipating a very successful affair. Mrs. Garibaldi is in charge of this.

Owing to the success of last year's affair, the tickets were almost sold out the first week to mothers of the school and club. There are very few tickets available, and more information regarding this may be had by calling Mrs. Liberti, DE 3-1455.

Mrs. Sullivan, president of the Club, has been busy with the investment committee, and is anxiously hoping for this affair to be a great success. Door prizes numbering 80, will be given out following the show. In charge of this is Valetta Ennis and Susan Schroeder.

Seating arrangements will be handled by Mrs. Denning and Mrs. Calegari. Hostesses for the luncheon will be under the direction of Mrs. E. Tomson and Mrs. Cresta.

Teachers Group Holds Meeting

The Northern California unit of the School Public Relations Association held its meeting Thursday night, April 13.

Under the leadership of Hugh Falconer, Jefferson District general supervisor, the role of the classroom teacher in public relations was discussed.

Mrs. J. Hopper, Colma P. T. A., and Mrs. Henry Adami, Woodrow Wilson PTA, as well as a large group of teachers from this district, met with representatives from the other Bay Counties to discuss this very important subject.

The next meeting will be concerned with the criticisms leveled at schools.

Miss Dorothy David, principal of Steffan Manor, Vallejo, will be in charge. This is to be a dinner meeting at the San Francisco State College, May 4.

Record Publicity As Free As Air

Our only purpose in printing this paper is to serve the people of the greater Daly City area.

However, to serve, we must have the news. Remember, all items will be printed (this side of libel), by merely calling JUniper 7-4321. There is no charge for this service.

Thank you, Mrs. E. K. Whinnen, for the following letter:

"On behalf of General Pershing PTA, and myself, I wish to thank the Daly City Record for its fine cooperation in printing all our news, and at all times being pleasant and friendly to work with.

"This is my last act as publicity chairman for General Pershing PTA, and I take this opportunity, and means, to thank all those who have been kind enough to read my publicity, and have encouraged me with their favorable comments."

Very truly yours,
MRS. E. K. WHINNEN
Publicity Chairman
General Pershing PTA

The Gamay grape, produced on California's cool upland country, yields a smooth, red burgundy-type wine.

One hundred thousand volunteers were organized by San Francisco's civilian defense council during the war.

Benefit Rummage Sale This Week End

Useful household items by the trunk load will be for sale at a benefit rummage today, April 20, until Saturday, April 22.

The sale, sponsored by Castro Parlor, NDGW No. 178, will be held at 1257 Webster street, San Francisco, at the corner of Ellis.

Many useful household articles, as well as clothing and jewelry, will be on sale at a reasonable price.

Surprise Baby Shower Given Mrs. Jackson

In a room profuse with beautiful spring flowers, friends of Mrs. Marilyn Jackson gave her a surprise baby shower last Saturday.

The shower was held at the home of Mrs. Jackson's mother, Mrs. Florence Mullin, 356 San Mateo avenue. Assisting Mrs. Mullin with the arrangements was Mrs. Edith Mullin, Mrs. Jackson's aunt.

Mrs. Jackson is well known in Daly City, as before her marriage she was a student at Jefferson high school. The couple are now residing at 1242 Capital avenue, San Francisco.

During the course of the shower, Mrs. Jackson's many friends presented her with gifts suitable for the coming event. Refreshments were served later in the day by the hostesses.

Present at the shower were Mesdames Ruth Mullin, Myrtle Cotter, Catherine Duffy, Joan Long, Theresa Backman, Marge Jannsen, Nina Swanson and Delia Mullin, all of Daly City.

Out-of-town guests included Mesdames: Frances Clark, Idella Morris, Stephanie Mullin and Betty Little.

Also present were Misses Carol Davis, Mary L. Morris, Barbara Shipman, Evelyn Madriago, Bettie Duffy, Shirley Mullin, Mary Beament, Esther Young and Margaret Miller.

Those who sent gifts but were unable to come included Mesdames Gertrude Reeve, Jackie Cantrell, Aileen Kozlosky, Ann Hartje, Marge Dexter, and Misses Dolores Koff, Donna Dexter, Joan Morris.

Mr. & Mrs. Wood Mark Silver Anniversary

Celebrating their twenty-fifth wedding anniversary this week are Mr. and Mrs. Dean A. Wood, 39 Mission Circle.

The congenial Daly City police officer and his wife were married April 13, 1925.

Helping them to celebrate the occasion many friends visited their home last Thursday evening. Mrs. Wood received a chest of silver from her husband, as well as numerous other pieces from family and friends. The pattern was coronation.

Guests were entertained by a television program. Then a light buffet supper was served on a table decorated for the occasion with a beautiful anniversary cake in the center.

Highlight of the evening was a champagne toast by the guests in honor of the happily married couple.

Of the many friends present were Mrs. Alice McColley and Delbert Quigley of Palo Alto.

OLPH Mothers Club Meets

The regular meeting of the OLPH Mothers Club was held last Friday, April 14.

Mrs. Susan Schroeder was selected as chairman of a nominating committee to choose new officers for the coming year. Nominations will be revealed at the May 12 meeting of the club.

Meanwhile, Mrs. Elinor McDougal, chairman for the April 4 whist, today thanked her committee and the first grade mothers for their support.

Refreshments were served by the mothers of the fourth grade, under the supervision of Mary Thiebaut. The tables were decorated with spring snow-ball and fresh greens.

Woodrow Wilson PTA Installs New Officers

New officers are ready to take over the helm of the Woodrow Wilson PTA, having been officially installed in office Tuesday evening.

Mrs. G. J. Sirex, the unit counselor, conducted the ceremony, and the following women were awarded lucky horseshoes as they took office: Mrs. Henry Adami, president; Mrs. Edward Goldkuhl, vice-president; Mrs. Philip Gray, recording secretary; Mrs. Harold Riley, treasurer; Miss Elizabeth Kennedy, financial secretary; Mrs. Joseph Ausano, corresponding secretary; Mrs. William Cheatham, parliamentarian; Mrs. Ralph Wakehouse, auditor.

Mrs. Jane Keith gave special awards to five outstanding persons who had rendered service "above and beyond the call of duty." Among those receiving awards were Miss Elizabeth Kennedy, John Sorenson for his untiring efforts in publishing the Newsette, and the owners of the Relish Bakery for their aid in furnishing cakes and buns for the Hot Dog Sale.

The room mothers were commended for their many services, including the excellent Christmas party and the hot dog sales.

Mrs. William Cheatham, the outgoing president, was awarded a beautiful tray in token of appreciation for her fine services and Mrs. John Sorenson presented her with the Past President's pin.

After a brief review of the accomplishments of the unit for the past year, the audience was treated to a recorded program on the Caliphone which the PTA donated to the school.

Meanwhile, pledging full support to the Daly City Boys Club, members of the Woodrow Wilson PTA offered last week to assist in reorganizing the club.

Druids To Hold Whist Party This Monday

Whist will be the order of the evening at the monthly party held Monday, April 24 by the Hillcrest Circle No. 14, UAOD.

Meeting place for the event is scheduled at Masonic Temple, 17 Hillcrest drive. Activities get underway at 8:30 p.m.

Chairman for this month's whist is Dolly Brush, archdruidess. This will be her last whist party while still in office. Assisting her will be Audrey Code and Hazel Keagle.

Surprise Bridal Shower Wednesday For Miss Appleton

A surprise bridal shower was given for Miss Beverly Helen Appleton at the home of Mrs. Grace Sheiring, 490 Anderson street, San Francisco, last Wednesday night, April 12.

The table was decorated with a miniature bridal party, including a large cake with a bride and groom on top.

Present at the shower were Mesdames Alice Appleton, Arlena Appleton, Ruth Appleton, Geneva Kirk, Claire Showers, Marge Erlan, Doris Cahalan, Kate Strickler, Louise Sheiring, Hester Hansen, Ann Strickler, Sylvia Spate, Frances Scardina, Leda Callan, Mildred Brandt, Ethel Appleton. Also present were Misses Hansen, Joan West, Beverly Helen Appleton, and Mrs. Grace Sheiring, the hostess. Mrs. Esther Appleton was absent because she was called out of town.

Beverly is the daughter of Mr. and Mrs. Horace Carl Appleton, 432 Bellevue avenue.

Beverly is a graduate of Jefferson high school in Daly City of last June, 1949, and is now employed by Blyth & Company Investment Bankers. The groom-to-be is Ronald Clifford Spate, 89 Gladstone drive, San Francisco, a graduate from Balboa high school, employed by San Francisco Glass company.

The wedding will take place April 29 at the Bethel Lutheran Church, Alemany boulevard, at 5:30 p.m.

Mrs. Dolly McHugh, 20 Woodrow street, Daly City, will be matron of honor, and Miss Dorothy Williams, San Francisco, will be the bridesmaid.

Mrs. Calderon Returns From Mexico Sunday

Returning from a two-week tour of Mexico this Sunday will be Mrs. Amalia Calderon, 158 Los Olivos.

Mrs. Calderon flew to the land below the border April 7, and arrived in Mexico City the next morning. She took up residence at the El Prado hotel, from which she visited various points of interest in the country.

Among the many things of interest seen by Mrs. Calderon have been a bullfight, the Palace of Fine Arts, and the Cathedral, where she attended Mass.

Mrs. Calderon has also picnicked at Xochimilco, and been serenaded by "charros."

Bon Voyage Party Given Three Residents

A bon voyage party was given for three Daly City residents last Saturday at the home of Louis Brugioni, 274 Miriam.

Honored guests were Mrs. Maria Gigli, mother of Mrs. Brugioni, and her nephew George, both of 6842 Mission. Also taking the trip with Mrs. Gigli will be Mrs. Irma Canttaneo, 238 Vista Grande.

The three local people will leave for Europe this Monday. Mrs. Gigli will be gone for six months, while her nephew and Mrs. Canttaneo plan to stay three months.

During the course of their travels, the three will visit points of interest in Italy and Switzerland.

Also present at the party was Mrs. Jack Morgan, daughter of Mrs. Canttaneo, and some 35 friends.

Jeff High PTA Installs New Officers

Receiving the gavel from retiring President Mrs. Grace Hill, Mrs. Byron Jensen last Thursday night assumed the duties of president of Jefferson High School PTA.

With the theme "Garden of Flowers," the installation ceremony was one of the most colorful in the recent history of the PTA. Each of the incoming officers was presented with a beautiful nosegay of spring flowers.

Mrs. Hill, as retiring president, received a lavalier with the PTA symbol.

The installation officer was Mrs. Stella Jensen of the 17th district.

New officers for the ensuing year include Mesdames: Jensen, president; Hilda Blackburn, vice-president; Marie Miller, recording secretary; Freida Cady, corresponding secretary; Emma D'Isepp, financial secretary; Florence Hopman, treasurer; Marjorie Reandeau, auditor; Freida Pistohl, historian, and Millie McGeein, parliamentarian.

Stanford Hannah was elected honorary vice president.

Chairmen for the various committees this year include Mesdames: Grace Hill, John Mongan, Mary Wakefield, Marie Miller, Byron Jensen, Lillian Diamond, Catherine Foreman, Ida Hanley, Eve Hobbs, Ann Eason, Bernice Hannah, Rheo Daniels, Lillian Thomey, Olga Bordson.

Martha Linden, Millie McGeein, Elaine Parkhurst, Hilda Heagney, Emma D'Isepp, Laverne Atterberry, Jones, and Betty Kohlbrenner.

Space does not permit listing the names of the various committees these women will head next year.

Following the installation, tasty refreshments were served by Mrs. Lois Adami, Mrs. Lillian Thomey, and Mrs. M. Berazza.

Eagles Teenage Dance Scheduled For This Saturday

Another of the ever popular teenage dances is to be held this Saturday, April 22, in the Colma Vista Grande Aerie No. 1848 FOE hall, 3346 San Jose avenue.

All youngsters whose parents belong to either the Eagles or the Auxiliary are invited to attend. what is more, they may bring their friends.

The ages for the dancers are between 12 and 18. During the dancing the floor is cleared of all adults.

Tickets for the dance, which are free of charge, may be obtained at the Colonial Gift Shop, 6272 Mission.

Music is to be furnished by the Eagles Band, which recently split up into a special unit to play only at the teenage dances.

As the dances have proven a success, they are to be held the second and fourth Saturday of each month.

Hoisting machinery used in the Butte, Montana, copper mines is capable of lifting 15 tons of ore from a depth of 5,000 feet in less than two minutes.

Cub Pack No. 62 Plans June Picnic And Air Tour

by D. C. Gensel

Members of Cub Pack No. 62 will attend a family picnic June 11 at the Memorial park, located between La Honda and Pescadero.

This was one of the decisions reached at one of two executive board meetings held last month. The meetings were held March 22 and March 29, respectively.

A wiener roast is planned for the picnic, as well as swimming. All families are invited to bring their own lunches. There will be games for the oldsters as well as the youngsters.

Please mark June 11 on your calendar. The meeting place for all those planning to attend will be in front of General Pershing school.

Further details on the picnic will be published in the Daly City Record at a future date.

Meanwhile, May 13 there will be a tour of United Airlines for the cubs and their families. John Benanti, chairman, says everyone must be in front of the General Pershing school before 9 a.m. The tour will be from 9:30 a.m. to noon.

A pack meeting was held April 10 at the school. The record attendance each month of parents and their sons shows that parents are really interested in helping their boys to better living.

Den flags were presented to each den by the committee. Awards were given out by Cubmaster Ed Kruse to:

Emile Keyser, gold and silver arrow; John Benanti, gold arrow; Richard Gensel, gold and silver arrow; Marc Wilker, bob cat pin.

In addition, Richard Gensel was awarded his liberty bell slide for having sold three books of tickets to the scouting expositions.

Den No. 2 presented a skit, "Jack and the Beanstalk." Taking part were Emil Keyser, John Benanti, Marc Wilker, George Lee, Dwayne Cook and Gensel. Assisting them was Den Mother Mrs. D. C. Gensel and Chief Denner Bill Gensel.

A vote of thanks was extended to George Funk for providing the pack flags, also to Dean Willis for taking care of cleaning the flags, as well as to Wills, J. Benanti and J. Jordan for the den flags.

Mrs. James Jordan and Mrs. R. Walsh have been named as new den mothers to Den No. 6.

Undisturbed beneath the 270 green-lawned acres of San Francisco's Lincoln Park lie the burial grounds of Chinese and Italians, and an old-time Potter's Field.

YOUR DALY CITY GARDEN CLUB NEWS

By ELSIE M. GARRISON

Every year the miracle of the Resurrection is observed by the giving of plants and flowers, themselves evidence of the infinite wonder and beauty of God's plan.

It is little wonder that there are practically no atheists among gardeners, for in the planting of seed there unfolds the unbelievable transition of domancy to full-flowered beauty, which is above and beyond anything man made.

Last week the plain dirt gardener was treated to that once-yearly phenomena, flowers that need neither water, food nor spray — I mean the ones on milady's Easter bonnet! Old Sol put on his best bib and tucker for the occasion and smiled in a manner that encouraged all the spring flowers to make their debut. Florists and nurserymen in this area report record purchases of not only the traditional Easter lily, but of potted plants of all varieties including African violets, azalias, begonias and portulaca. Lilacs and daffodils were out in front as usual, the perennial cut flower favorite, followed closely by giant flowering stock, in lovely pastel shades, and the usual profusion of spring blooms.

Women's Hats

Turning many heads in the Easter parade, was the appearance of little hats made entirely of real blossoms, treated in the feminine way, with festoons of sheer veiling. This little trick originated some time last summer, when one of our local debutantes planned a garden wedding, the orginal touch being the "live flower" bonnets. They caused a great deal of comment and admiration via the S. F. society columns, and have been cropping out here and there ever since.

If the fad continues, father can figure on one bill less, and may turn into a milliner of sorts himself. Since the advent of the strapless dress, corsages have found themselves without an anchor, and thus have lost their popularity. Maybe they can reinstate themselves atop a lady's hat.

What this little fashion note has to do in a gardening column is probably puzzling, but how convenient it would be to grow your own hats in your own back yard?

This is the time of year to create lovely interior effects with flowering branches. One may utilize many varieties of vases, but the low ones seem to accent the graceful sweep of the branches. Hawthorne, crab, plum, apple, peach or cherry all remain lovely for weeks, if the bark is peeled back an inch or so to open up more drinking cells.

Gardening Health

The therapeutic value of gardening has long been an established fact, but any skeptic should be convinced by the disclosure that one of our aspirants for public office was seen, on that frantic, hectic day before election, calmly weeding and puttering in his garden. No high blood pressure for him! And the more perspective the better a public servant.

Members of the Daly City Garden Club who were awarded prizes at the Garden Meeting at Horticultural Center were as follows: Mrs. Jack Martin, philodendron; Howard Miguel, orthorix; Mrs. Charles Hansen, house plant; Mrs. Smith, spray-ette; Mrs. Hanna, potted plant; Mrs. Yohn, potted plant, and Betty Tyner, isotox.

Wildflowers

We have so long taken our wildflowers for granted, that maybe some of us are not aware that over the years our wildflowers have been up-rooted and disturbed to a point where many varieties have been dying out, and steps have had to be taken to keep them from becoming extinct.

If all mothers would explain to their children the meaning of "conservation," and why it is necessary, then we could look forward to the annual treat of springtime, our hills vocered with beautiful blooms. Section 384-A of the Penal Code restricts the gathering of wildflowers, but I understand that there are some circumstances, such as supervised groups, which may receive special permission — if rules are complied with. However, I would suggest contacting our clerk in the police station, who will be glad to look up the section covering this.

One way to divert children from picking the wildflowers, is to buy them a ten-cent package of wildflower seeds and let them plant them themselves. It will be a happy experience for them to watch their "garden grow" and a valuable object lesson as well. I am indeed sorry I did not have advance information on the exhibit displayed at the S. F. Public Library, where over three hundred varieties of wildflowers were shown under the auspices of the California Spring Blossom and Wildflower Association. One of the outstanding specimens were the rare calypso borealis, or California orchid, which is found mainly to the north in Mendocino county. Golden Gate Park, Oakland Park, and the San Mateo Forestry Department also had material of interest, and I know that many of you who attended enjoyed an interesting and diversified program.

"Happy birthday, dear Mother, come and see us real soo-oo-oon"

The family seems so much closer when you're chatting over Long Distance lines. And only Long Distance can carry your voice – with all the warmth and personality it expresses – across the miles and into the homes and hearts of those you love.

You can call anywhere in the country for $2.50 or less PLUS TAX (Day station rate for first three minutes)

You'll find rates are so low that you may call Long Distance often. And if you plan your call, you can say as much in three minutes as in a letter – and get an immediate answer to your questions.

There's no faster way to keep in touch with folks away from home. Today many calls are speeding through in only 30 seconds...when you give Operator the number you want – not just the name and address.

BROADMOOR PROPERTY OWNERS ASSN. BOARD ELECTION COMING MAY 5

General elections to choose four new members for the Broadmoor Property Owners Association board of directors will be held May 5.

This was the principal decision reached at the regular meeting of the Association last Thursday night. The discussion of the proposed connecting street is reported elsewhere in the paper.

The election this year is to be held in Colombo Hall, Colma, beginning at 8 p. m. Everyone wishing to vote must be present, as no ballot can be cast by proxy.

Nominations for the board will be accepted until April 21. The names should be sent to the Association at the Broadmoor Community Center before the April 21 deadline.

Retiring from the board this year are: Verna Duste, Pete Markovich, Lou Manis and Al Toschi. None of the retiring members has as yet expressed an interest to seek re-election.

There are nine board members who, through the course of the year, determine policies and act as a general governing body for the residents of Broadmoor. Everyone interested in his community is asked to vote on May 5.

Burglars Loot Colma Home

Entering through an open door Friday, thieves stole $207 in personal belongings from the home of Forest L. Menzie, 447A 92nd street, Colma, the sheriff's office reports.

The unidentified burglars first tried to enter the house by forcing the locked rear door. When this failed, they went around to the front of the house, and easily entered through the open front door, officers said.

Stolen were two watches, a camera, a piggy bank, seven rolls of pennies and some costume jewelry.

Colma Voters Unseat Two Incumbents

One of the biggest upsets in any of the 12 city elections in San Mateo county occurred in Colma last Tuesday when 100 voters elected Gilbert H. Parker to treasurer.

Parker, by 67 votes, unseated Henry Kempf, who has been treasurer in Colma since the town was incorporated in 1924. Kempf received 35 votes. The new treasurer is superintendent of the Salem cemetery.

Another surprise came when incumbent Councilman Earl Taylor was turned out of office by Roy Ottoboni. Taylor received only 46 votes as compared with 71 votes for Ottoboni. Incumbent John Price took 65 votes to retain his office.

City Clerk E. A. Weisenburger, who was unopposed for re-election, received 81 votes. Weisenburger as been city clerk since 1924.

Meanwhile, at a special meeting Tuesday morning the new officials took office. The council elected John Price as the new mayor. He will replace Pete Barsi, who held the position for the past four years.

Friends Give Mrs. Ghiotti Baby Shower

Returning to her home early one evening last week Mrs. Atillio Ghiotti, 1856 Sweetwood drive, fumbled in her purse for the front door key.

Within, all was quiet. Finally, Mrs. Ghiotti located the key and opened the door. However, before she could find the light switch, someone turned on the lights.

Mrs. Ghiotti stood breathless in the doorway as 14 of her closest friends wished her a happy surprise baby shower.

While Mrs. Ghiotti had been away, her friends had slipped into her new home in Broadmoor and decorated it for the shower. Throughout the front room were many bright, beautiful spring flowers, and gayly-wrapped baby gifts.

Hostesses for the shower were Mesdames Norman Bowe of San Francisco and Joe Loboa of Redwood City.

Guests present included Mesdames Norma Dunn, Marian Standifer, Jeanne Standifer, Bee Carpenter, Alma Ragghianti, Genevieve Bensen, Rose Mills, Belle Hanley, Teresa Allen, Muriel Bowe, Marion Loboa, Vallerie Jenkins, Mary Johnson, Muriel Pelapratt and Miss Louis Vollenweider.

Dr. Bell To Head Garden Village Association

Dr. Reginald E. Bell, 23 Garden Lane, is the new president of the Garden Village Property Owners Association.

The San Francisco school administrator was elected to this post at the annual meeting of the association, held Monday. He will head the board of directors, made up of nine residents from the area, for the coming year.

Also elected to fill four vacancies on the board of directors were: Val Olson, incumbent; Mrs. David W. Griffis, Mrs. William Bohn and Dr. Irving Hulbert.

Ralph E. Damon was elected secretary, while Harold Mcvicar was chosen as treasurer for the Association.

This was the principal action taken by the Association, and after the new officers were elected, the meeting adjourned.

Candidates Speak At Broadmoor Next Tuesday

Broadmoor residents next Tuesday will be given an opportunity to hear a majority of the candidates seeking election in the June 6 primary.

Each of the candidates has been invited to speak at the meeting to be held at 8 p.m. April 25 in the Broadmoor Community center.

The event is sponsored by the Broadmoor Post No. 824, American Legion.

Arthur Jackson, democratic candidate for congress has promised to be present, as have the majority of men seeking office in San Mateo county.

This is an opportunity for residents not only to hear, but to meet the men they will vote for, or against, in the June 6 primary. Everyone is invited to attend.

Folk Dancing Classes Open In Broadmoor

Folk dancers, attention.

Beginning this Monday, April 24, and the second and fourth Mondays thereafter, the American Legion Broadmoor Post No. 824 will sponsor a folk dancing class.

The classes will get under way at 7:30 p.m. at the Broadmoor Community Center.

Everyone is invited to attend, and especially those who desire to learn the intricate folk dancing steps.

An instructor will teach all the dances and beginners are invited to attend.

Refreshments are to be served after the instruction period.

Ordinance No. 308

Ordinance Regulating The Burning of Waste Material

The City Council of the City of Daly City, California, does ordain as follows:

SECTION 1. It shall be unlawful for any person to ignite, set fire to or burn in the open air, in any open, exposed or outdoor fire, any rubbish, paper, shavings, boxes, brush weeds, trimmings, grass, litter or other combustible waste material or substances except between the hours of 7:00 o'clock A.M. and 10:00 o'clock A.M. of the same day without procuring a permit from the Fire Chief of the City of Daly City, California who shall have the right to refuse to issue a fire permit, or to allow the burning of any combustible material in any case where, in his opinion, such burning would be dangerous or unsafe.

SECTION 2. All burning permissible here under shall at all times be under competent and continuous supervision and not within twenty (20) feet of any building.

SECTION 3. It shall be unlawful for any person, except an officer or employee of the City of Daly City, California, within the line of his duty, to set fire to, ignite or burn any combustible material or substance upon any street, alley, sidewalk, park, parkway or public property in the city except in outdoor grills or pits provided by said City.

SECTION 4. The word 'person' as used herein shall mean natural person, partnership, corporation, association, company or organization or the manager, lessee, agent, servant, officer or employee of any of them.

SECTION 5. Any person violating any of the provisions of this ordinance shall be guilty of a misdemeanor, and upon conviction thereof, shall be punishable by a fine not more than three hundred dollars ($300.00) or by imprisonment in the City Jail for a period not more than three months, or by both such fine and imprisonment. Each such person shall be guilty of a separate offense for each and every day during any portion of which any violation of any provision of this ordinance is committed, continued or permitted by such person and shall be punishable accordingly.

SECTION 6. This ordinance shall be in force and take effect thirty days from and after its passage, and approval and the publication once thereof in the Daly City Record, a weekly newspaper of general circulation, printed, published and circulated in the City of Daly City.

Introduced this 27 day of March, 1950.

Passed and adopted as an ordinance of the City of Daly City the 10 day of April, 1950, by the following vote:

AYES, and in favor thereof, Councilmen: Bertetta, Gaggero, Battye, Mooney, Green.

NOES, Councilmen: None.

ABSENT, Councilmen: None.

Colma To Build $20,000 Concrete Block Firehouse

Plans for a $20,000 concrete block and frame firehouse on Reiner street, Colma, ware announced today by the Colma fire commission.

Bids on the building are to be submitted May 9. It is expected construction of the two engine building will take from three to four months. The bids will be opened at 8 p.m. Tuesday, May 9, at the old fire department, 50 E. Market.

Architect for the job is John W. Kruse, 555 Clay street, San Francisco. He said complete plans for the structure may be obtained from his office on or after Friday, April 22.

The architect's plans call for a one story concrete and frame constructed building. It will house two fire engines, a day room, kitchenette, offices and a bunk room for four men.

Louis Nannini, fire chief, said the older building on Market St. will be abandoned with the completion of the new structure. He also revealed that early next year Colma probably will purchase a new fire engine.

Attilo Conserva and Walter Riccomi are the members of the Colma Fire Commission.

Thief Gets $300 In Broadmoor Burglary

Looting a Broadmoor home Wednesday afternoon, a thief got away with $300, police report today.

The home is located just off Junipero Serra near 88th, and is the residence of Mary Calosimo.

Entrance was gained by cutting the screening away from an unlocked bedroom window, police said.

Inside the house, the burglar ransacked the bedroom and front room, taking the money which was in change and bills.

STARTING DIFFICULTY

Starting troubles in an automobile engine are due almost entirely to the carburetor, ignition system, starter, motor, battery or generator. A semi-annual inspection of these items by a competent mechanic is advised by the California State Automobile Association, and the inspection should be made more frequently if the car mileage warrants.

LEGAL ADVERTISING

NOTICE OF SALE OF REAL PROPERTY AT PRIVATE SALE

No. 16108

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SAN MATEO

In the Matter of the Estate of ELINOR STRICKOVICS, alias, Deceased.

NOTICE IS HEREBY GIVEN that the undersigned, WILLIAM CROSBY, administrator of the estate of ELINOR STRICKOVICS, alias, deceased, will sell at private sale on the 1st day of MAY, 1950, at 10:00 o'clock A. M. of said day, or after said day, to the highest and best bidder, upon the terms and conditions hereinafter set forth, and subject to confirmation by the above entitled court, all the right, title and interest and estate of the above - named decedent, which said decedent had at the time of her death, as well as all the right, title, interest and estate which has since accrued, by operation of law or otherwise, to the estate of said decedent since her death, in and to the following described real property:

All that real property in the County of San Mateo, State of California, described as follows:

Lot numbered forty-six (46) in Block numbered four (4) as shown on that certain Map entitled "Map of Hillcrest Showing Subdivision", which map was filed in the office of the County Recorder of San Mateo County on March 14, 1907 in Book 14 of Miscellaneous Records at page 232; Together with improvements thereon.

The terms and conditions of sale are as follows: Cash, lawful money of the United States; ten (10) per cent of the amount bid to be paid at the time of the acceptance of the bid, the balance on confirmation of sale by the Superior Court, the deeds and instruments of title to be at the expense of the purchaser.

All bids and offers must be in writing, and may be left at the office of Louis B. Dematteis, District Attorney and Attorney for said administrator, Court House, Redwood City, California, or may be delivered to said administrator personally in said County of San Mateo, or may be filed in the office of the Clerk of this Court, at any time after the first publication of this notice and before the making of the sale.

Dated: April 18, 1950.

WILLIAM CROSBY
Administrator of the estate of Elinor Strickovics, alias, deceased

LOUIS B. DEMATTEIS, District Attorney and Elinor Louise Falvey, Deputy District Attorney, Attorney for Public Administrator, Court House, Redwood City, California.

Broadmoor Legion Auxiliary Holds Wednesday Dinner

Wednesday night was the time, and Broadmoor's lovely Community center, the setting for a dinner given by the Ladies' Auxiliary of Broadmoor Post 824 of the American Legion.

Held for the purpose of raising funds to purchase the flags for the Cub Scouts, the ladies served meat loaf, baked beans, green beans, green tossed salad, bread and butter, coffee, milk for children and cake and coffee.

The entire dinner was supplied by the ladies of the auxiliary, under the following categories:

Meat loaf: made by Evelyn Toschi, Betty Hood, Ruth Scovel, Cleo Cheskey, and Helen Richardson.

Green beans: prepared by Helen Holman.

Baked beans: prepared by Alice Bird.

Salad: prepared by Dolly LePine and Katie Flanagan.

The following items were supplied by the various girls of the Auxiliary:

Nan Melinec — napkins, coffee and cream.

Janet Wagner and Dorothy Waters — cheese for baked beans.

Marge Hanrahan — Two pounds butter.

Mildred Miles and Betty Kass— bread.

The cakes were the work of Kay Logan, Mrs. Ray Logan Sr., Pat Applby, and Peggy Merchant.

Those not actually making food items contributed generously financially.

Jeff High "Guff"

By Bettie Duffy

Tonight, April 21, at 8:30 o'clock students will be running around the auditorium clad in jeans, grays, tans, shirts, and socks, but minus their shoes. The reason: tonight's the sock dance. So as you enter the auditorium, you not only check your coat, but also place your shoes in a paper bag and check them.

Assemblies

Last week the students enjoyed three well-organized assemblies, San Mateo Junior college entertained one full hour with "out of this world music" by their wonderful dance band. Alumnus Bob Lynch acted as M.C. for the assembly. The second assembly was put on entirely by the students who attended the conference at Half Moon Bay. Then, last Friday a safety assembly was presented by the Highway Safety Division. Tremendous applause was given the speaker and also for the movie on reckless driving.

Music Department

The music department is working on an all-music assembly which our band, dance band and chorus will perform. All in uniform for the first time in the history of the school.

Spanish Club

The Spanish Club is holding rehearsals every Tuesday night for the forthcoming program to be presented on May 19.

Dramatics

The public speaking class paid a visit to the San Francisco Opera House Monday to get a close look at the sets, lights, and backstage.

Public Schools Week

The students are now working on different projects to be on display for the public April 28. Along with the exhibits and displays will be a program put on by the music department and physical education classes.

Calendar of Events

April 21: Varsity Baseball — Sequoia (here); Track — San Jose (there).

April 22: Track — Burlingame (there).

April 26: National Assembly.

April 27: Frosh, Soph Baseball —Lincoln (here); Track, B&C trials; Swimming — San Jose (here).

April 28: Public Schools Night; Track Unlimited trials; Varsity Baseball — San Jose (there).

Contra Costa and Santa Clara counties, organized in 1850, once had a common boundary.

One-third of all the copper used in the United States has come from the mines of Butte, Montana.

Mrs. Edith Gilmore To Visit England

Mrs. Edith Gilmore, 52 Vista Grande, is leaving Daly City April 24 for a visit with relatives and friends in England.

She will be accompanied on her trip by her sister-in-law, Mrs. Shipley of Pittsburg, Pennsylvania. A native of Yorkshire, Mrs. Gilmore expects to be gone for several months. Her last visit home was in 1924.

Arriving on the Queen Mary, Mrs. Gilmore will visit her son, now living in England. There she will meet his wife and grandson, who are living in Leyton, Essex.

She also will visit the homes of her two brothers and sister in the county of Durham, as well as many friends and relatives in Yorkshire.

Girl Scout Scoops

Many times during the past few years we have thought that going to school again would be fun and since we have begun our course in leadership for Girl Scouts of north San Mateo county, that thought has been confirmed. Our trips to the Orange Avenue Recreation Center in South San Francisco each Thursday have gained us a world of knowledge.

Your writer and companions arrived a bit late this particular morning. The assembled group had begun a dance called "Paw Paw Patch" but we had already joined in this the preceding day in a course titled "Games and Rhythms" we were not too disappointed. Following the dance we went into our singing period and felt pretty expert.

The day's discussion began with plans for troop meetings. A suggested plan by Miss Passoneau consisted of games, business, program activity, followed by cleanup of scout house and closing exercises.

Flag Ceremony

A flag ceremony was the next topic and one with which your scribe was totally unfamiliar. Readers may be interested in a few pertinent facts, as follows:

The flag ceremony is to be used by troops for special occasions only, such as an investitute, a patriotic celebration, or perhaps in connection with awarding certain badges related to citizenship. Four girls in uniform are to be chosen for color guard. One girl carries the American flag and is in charge of the color guard, another carries the troop flag, and two others act as guards on either side of the color bearers, making four abreast.

Upon a signal from their leaders the color bearers salute the colors and pick up the flag, being sure that the Flag of the United States is picked up first and is on the right. They then wheel around to the right four abreast and march to a place in front of the troop. When the ceremony is over, at a given command, the guard wheels around, again to the right and replaces the flags in their original place. There are many more details too lengthy to list but this will give you a general idea of the solemnity and importance of the flag ceremony.

"Cookout" Training

Miss Passoneau informed us that in order to pass our course on leadership we would have to add two more hours to our training program and suggested we plan a Cookout to be held next week directly after the regular morning session. This met with hearty approval by all, including those of us who are taking the regular outdoor cooking session.

Hands were immediately raised for suggestions on the meal planning. Campfire stew, American chop suey, Bag of Gold, Blushing Bunny and Rum Tum Diddy were put to a vote with Campfire stew the winner. Other additions to the menu would be a tossed salad, toasted garlic bread, coffee and Banana Boats for dessert.

We shall be happy to tell readers fore about the above concoctions when we meet again next week. In the meantime, remember the Girl Scouts and the organization which is doing so much for girls throughout the world!

Girl Scouts of Peoria street scout house are going to show what they did all year around in a show April 21 at the old fire house, Bellevue avenue.

The show begins at 7:30 p.m., and scouts will demonstrate various activities of their respective troops.

Mrs. John Tierney Moves To Daly City

Mrs. John Tierney, formerly of San Francisco, has recently moved to Daly City, taking up residence at 3298 San Jose avenue.

One of Mrs. Tierney's two sons, John, is better known to baseball fans as "Butch" Tierney, player for the Portland Beavers. "Butch" and his team were in action this week in San Francisco.

The other Tierney boy, Patrick, is now attending Sacred Heart high school.

Mrs. Tierney has one daughter, Mrs. Robert Brown, 196 Thier street, Daly City.

BAYSHORE ACTIVITIES

By Bernice Hendryx JUniper 4-6449

Bayshore Land Mark Burns

An old land mark in Bayshore, a five room unoccupied wooden dwelling, 1000 feet north of MacDonald avenue, is nothing but a charred frame today.

The home burst into flames about 1:30 a.m. Tuesday and woke up the entire community as firemen, led by Chief Arley King, attempted to save the structure. Flames shot as high as 50 feet in the air before the two hour long battle ended.

King said the fire probably started in a small shed full of rubbish about 10 feet from the house. The property is owned by the Bothine Real Estate Company.

Six Lane Highway To Be Approved For Bayshore

Bayshore's traffic bottleneck will soon be a thing of the past.

The State highway commission this week will call for bids to add two lanes to the four-lane stretch between South San Francisco and Geneva avenue, State Senator Harry Parkman (San Mateo) said today.

The three mile stretch of highway is to be financed by a special emergency measure, Parkman said. One lane will be added to each side of the present highway.

At some future date the Bayshore Freeway will be constructed to replace the three mile stretch of highway. The freeway will pass east of the highway and swing west to connect with freeway work now under way in San Francisco.

Bayshore VFW Installs Officers

William Magidson is the new commander today of the Joseph R. Robles, VFW Post No. 8591, Bayshore.

The new commander was installed last week at the War Memorial building in San Francisco by Past District Commander William F. Oster.

Assisting Magidson will be: Milton Colmean, senior vice-commander; Steve Cornigilia, junior vice-commander; Ray Stark, chaplain; Lawrence Fusco, quartermaster; Alfred Pierson, adjutant; Joseph LaBarba, Howard Kyle and Ernest Wikse, trustees.

4-Year-Old Bayshore Boy May Lose Eye

Hospitalized today is Kenneth Tarbox, 4, son of Mr. and Mrs. Donald Tarbox, 363 Oriente, Bayshore. Young Kenneth may lose the sight of one eye.

He was returning home from kindergarten Monday when he became involved in a fight with an older boy, he told his parents. The older boy hit him in the eye with a large rock, and fled.

Rummage Sale At Legion Hall Next Thursday

The call was out today for any old clothes or other items that can be sold in the American Legion No. 410 Auxiliary Rummage Sale, Thursday, April 27.

Anyone who has an item may turn it over to one of the Auxiliary members or to Ethel Harris, by calling DE 3-5549.

The sale is to be held at the American Legion Hall, 474 San Diego, with a hot lunch served from noon to 2 p.m.

Many valuable items will be up for sale and everyone is invited to attend. Of special interest to families with new additions will be the fact that a good number of things are to be baby "equipment."

That Name Is Angilley Not Mardell Angillen

Miss Wardell Angilley, young daughter of Mr. and Mrs. Ward Angilley, 128 School street, was a victim two weeks ago to jumbled type.

The first grade student at Jefferson elementary school recently won a prize for her activities in a word bee. This was reported in last week's Daly City Record, but her name was given as Mardell Angillen.

So that young Miss Angelley will not lose faith in the printed word, we hereby make the correction, and give her, not Miss Angillen, credit for the fete.

The Bayshore PTA meeting, held on the afternoon of April 14, was honored with the presence of Mrs. Sthromier, past district president, and Mrs. Jensen. New officers were installed for the year by Mrs. Sthromier, with Mrs. Painchaud taking the president's chair and Mrs. Ness as vice-president.

There is a rumor in the air that we will soon have one, and possibly two new store buildings down next to Scat's Market. New business is badly needed here, so we welcome any additions.

The C. Higgins family experienced a pleasant shock the other evening. Returning from a Voters League meeting, they found their doorstep occupied by their daughter, who had returned unexpectedly from Japan that day. She has been in the east with her husband, and after only seven months the good old U.S.A. was a welcome sight.

The Cubs are sweating it out to prepare a program that will do justice to their big brothers the Boy Scouts at the Scout Arama, to be held soon at the Cow Palace. A meeting was held the other night by the Den Mothers, Den Chiefs and committeemen to put together a fitting show to do honor where honor is due.

Jessie Ford of 960 Schwerin street, took another bad fall, the second within a few weeks, and we are sorry to hear that she is confined to the house. Comes at a bad time too, because a big party was given this week to celebrate two birthdays and an anniversary in the family. She took it in her stride however, and the party went off on schedule, with lots of people and lots of fun.

The Fire Auxiliary gave a dinner at the firehouse on the 15th for all the firemen and the new fire commissioners. Everyone reported plenty to eat.

A double feature in the Beckman family, of 136 Rio Verde. John and Jeanette both parted with their tonsils practically simultaneously.

Here's one we're glad to report. Mrs. Painchaud's mother is recovering from an operation that had a great many of us worried. She's home again and doing nicely. Many of us don't know her name, but we are honored to call her Mother. Congratulations, Mother, and don't frighten us like that again.

More speed to the Filarski's in their 1950 Chevrolet.

Phil Hughes, of 980 Schwerin, is recovering from a nice dose of poison oak. Phil and some of his big game friends shouldered their blunderbusses and went a-hunting in them thar hills. The only thing they have to show for their zeal are some pretty pink spots. Makes you feel gooood to even think about it.

Richard Horberg, superintendent of Mission Covenant Church, will speak at the 9:30 bible school at the Bayshore Baptist Church next Sunday morning, April 23. Pastor Widenhan's message at 11 o'clock worship will be "Hope, Joy, and Peace."

There will be a dance at the Voter's League Hall, 125 Acacia street, on April 22. The proceeds will go to the Cancer drive, now in progress. We have a high quota to meet this year, so let's go over the top.

Flames lit the sky in the wee hours last Monday night, and the fire department turned to, in an attempt to curb the runaway blaze of one of our older and less desirable structures. The old house, set by itself in a field of weeds, was vacant, so not much more was lost than considerable labor and water.

There will be an Improvement Club meeting Friday, April 28, at 8 p.m. A raffle and free refreshments to all comers.

Bayshore Neighbor Saves Baby's Life

A 15-month-old Bayshore baby girl today owes her life to the quick thinking of Mrs. Carl Anderson, 165 Savo Bay road, Midway Village.

Mrs. Anderson, called from an adjoining apartment by Mrs. Walter Lagerstedt at 3:45 p.m. Wednesday, rushed into her neighbor's flat to find little Barbara Ann Lagerstedt choking. The baby's throat had filled with phlegm, making it impossible for her to breathe.

Ordering Mrs. Lagerstedt to call the fire department, Mrs. Anderson turned the baby over on its stomach and administered artificial respiration until a respirator arrived.

The firemen, under the direction of Chief Arley King, then took over, and worked an hour before the child let out a weak gasp.

The family physician arrived shortly after and removed the child to a hospital where she was reported recovering today.

SPORTS

SARTO'S NINE PREPARE FOR SEALS STADIUM GAME

Looking relatively pleased about their chances in this Sunday's Baseball Benefit game are the champions of the San Francisco Recreation League "B" and "A" divisions. From left to right, back row, are: Wells, Henry Morgan, Schuler, George Newton (manager), Clausen, Quitives, Custodio. Left to right, front row, are: Santiago, James, Quinones, Sterling and Rainey.

Pitching Duel Scheduled As Jeff Meets Sequoia Friday At "Home"

By Milton Tromborg

Ace chucker Ed Cereghino of Jefferson will face Tom Del Sarto of Sequoia for the battle of second place in the P.A.L. today at Jeff, with game time set for 3:30 p.m.

Jefferson and Sequoia both stand with a 2 won, 1 lost record, while Palo Alto stands with a 2 won, 0 lost record to lead the P.A.L. race.

All eyes will not only be centered on the Jefferson-Sequoia game, but the Palo Alto - San Mateo game. If San Mateo can defeat the Vikings, and Jeff can take Sequoia, then Jeff will be in first place, but believe, that is a big IF.

This should be the game of the year, that is as a pitching contest. Big Ed Cereghino of Jeff vs. Tom Del Sarto. Cereghino is a right hander and possesses a fast ball, while Del Sarto is a left hander and works on a curve ball.

Indians Win Thriller

Last Friday afternoon, April 14, the Jefferson varsity traveled to Lincoln of San Jose, and came home the victors of one of the most thrilling ball game of the year.

Forced again into extra innings, the Indians broke a 1-1 tie in the eighth inning to win 2-1.

Ed Cereghino went the distance for the Indians, yielding seven base hits, two walks, while striking out 11 batters.

The Indians, who are strong defensively and weak offensively, collected but five hits.

FISH AND GAME NOTES

by Jimmy Fox

Well, the past week end is gone and there are a few fellows who are sure glad it's over.

The Daly City Rod and Gun Club deep sea fishing trip last Sunday was a huge success. That is, it was for some a big time and for others a very miserable outing. Smokey Shalkowski got plenty seasick but kept fishing and wound up with the biggest fish of the day. That earned him about $6.50 and he had a nice 23-pound Ling cod to take home. He also caught two other Lings weighing about 15 pounds each. Those three fish brought him a tie for the most fish pool with Ed Meirding and Lee Amour, both having three fish also.

About 11 of the 27 members aboard were seasick during part or all of the day. Our old chum Al Speers sure didn't help matters with his constant heckling. It looked as though he talked about three of the boys into getting a little on the green side. The ocean was on the verge of a storm and the wind came up early so the fishing was a little on the poor side. The total catch for the day was 32 fish, of which 13 were Ling cod, 11 were Bluefish, and the remaining eight were Red Rock cod.

On the striped bass fishing front it was a fine week end. A local angler, Dave Rodriques, went up to China camp on Saturday and brought home limits for himself and every one aboard. He is skipper of a nice Steelcraft yacht for a local doctor. Dave reports that there were many boats out in the China camp area and most of them were catching fish. Sunday the fishing was also excellent and the latest reports are that it has continued all week. The average size of the bass being caught is about eight to 10 pounds, with an occasional 16-pounder being hooked.

Kids Fishing Soon

Just one week from now, on April 29, the Lake Merced fishing hole will open. It will be strictly for kids for three or four weeks and then will be open to all for trout fishing. The Fish and Game have planted lots of fine catchable-size trout in the lake so it should offer some fine fishing soon.

All the rough fish have been killed and it will be stocked with new trout from time to time. We can't think of a better way for boys to keep out of mischief than by going fishing this summer. They can pack up a lunch and hike out to the lake and spend the day in the open.

Next week we will have all the rules and regulations on the Merced fishing. In the meantime, get that boy a fishin' pole and reel, some hooks and a leader or two. You might even take him out and teach him to cast a plug or a fly. It's fun and will improve your own casting to get in a bit of extra practice. If you know nothing of the proper manner of handling a plug or fly rod why not go out to the Golden Gate Angling club casting pool in the park. The boys there will be glad to show anyone how to cast.

Rifle Team

Proudest fellows in the area are the Palo Alto "D" Rifle team. They have just completed a 12-match string of victories which gives them claim to the title of champions in the winter rifle league matches. The final averages show that this year's teams have shot higher scores than ever before. Jack Tromberg, E. Baden and Ed Nenstiel tell me that their team has averaged higher than a 929 out of a possible 1,000 per match ever since the shoots started. That's some shooting, when you figure the bulls-eye in their 50-foot target is only as big around as the eraser on a common lead pencil.

While on the subject of shooting we might mention the Daly City Rod and Gun Club annual shoot to be held on May 14 at the Coastside Sportsmen range. All rules and regulations are now ready and the trophies and medals have been ordered. The boys are sneaking down now whenever they can for a little practice. All members of the club are eligible to shoot and there will be plenty of variety for all the shooters. The day's events will include big bore, small bore, deer shoot and trap shoot. The family is welcome and there are facilities for a picnic right on the range.

Coming Meet

Next meeting of the Rod and Gun Club will be Wednesday, April 26, at 337 Bellevue avenue. Come early, and bring a friend to the meeting. Uncle Joe Deering will be there with some eats and refreshments. Also, there will be an excellent lecture on pollution by Everett Ingram of the Isaac Walton League of America. He will also show some slide pictures of the terrible pollution of the bay waters. See you, one and all, at the meeting Wednesday night at 8 o'clock.

Two D. C. Men To Appear In Police Court Friday

Appearing in police court this Friday to answer charges of disturbing the peace will be Clarence Rodger, 27 Hillcrest drive, and Patrick Harrison, 241 Niantic.

The two men were allegedly involved in a fight at 8:30 p.m. last Saturday behind the cabin of James Macha, 237 Los Olivos, police report. Officers did not indicate the reason for the fight.

During the struggle, Harrison suffered a rib fracture and abrasions, police reports indicate.

Both men were released on $50 bail.

Dr. Quinlan To Visit Hawaii Next Month

Dr. Ellsworth Quinlan, 6273 Mission, will be leaving for a one-month vacation in Hawaii May 1, he said today.

While he is away, Dr. Kerner will take charge of the office at 6273 Mission and care for Dr. Quinlan's patients.

After visiting the islands with his wife, Dr. Quinlan is expected back in Daly City June 1. A resident of San Francisco, Dr. Quinlan has been practicing medicine in this community for the past two years.

Oregon's salmon fishing industry, centered at Astoria on the mouth of the Columbia River, is one of the world's largest.

CASH FOR YOUR HOME

Regardless of condition or age of your home, we'll pay spot cash for it now! If you've considered selling, you'd better act now, while values are at their peak.

SARTO'S IN SUNDAY BENEFIT GAME

Local Boys To Fight Ayoobs In Seals Stadium For Highest Baseball Honors

Battling for baseball honors, Sarto's nine will meet Ayoobs at 11 a. m. this Sunday at Seals Stadium in the 18th annual James J. Nealon benefit game.

And when Sarto's boys go out onto the diamond they will be making history; for they are the youngest team ever to play in the series of games sponsored each year by the Northern California Baseball Managers Association.

None of the lads on the team are over 18, and the majority of them are between 15 and 17. Playing "AA" ball, they will meet a combination of men all over 21 years of age.

Still, this isn't anything new to the team sponsored by Joe Sarto. Last summer they won the San Francisco Recreation League "B" championship, and went on in the winter to cop the "A" title. The majority of the tussles were fought against much older teams.

Despite the handicap of age, Sarto's are given an even break to walk off the field Sunday with another game tucked away in the win column.

However, there's another handicap besides age. The Friday before the game the two ace Sarto's pitchers will be giving their all for their high school teams. Strangely enough Sarto's chucker, Bill Rainey, will be on the mound for Balboa against the other Sarto's pitcher, Gilbert Quinones, who will be doing the pitching honors for Mission. Then on Sunday the two Friday "enemies" will join forces to attempt to down Ayoobs.

"I only hope they still have their pitching strength left after Friday's game to do a good job on Sunday," Sarto said.

The team backer refused to say which one of his boys he was betting on to come out on top this Friday.

With southpaw Rainey, 16, leading the Sunday attack, the starting lineup for Sarto's will include: Fostino Quitevis, rf; Raymond Santiago, ss; Charles Cuausen, 1b; Al Sterling 2b; James Custodio, 3b; Thomas James, lf; Charles Schuler, cf; Bob Denike, c; and Tito Sarto, pitcher. Quinones will be a relief pitcher. Also expected to take part in the game is Bernie Wells at left field.

The boys need your support and hope you'll be at the game Sunday to cheer them on to what they plan to be the biggest win of their careers.

Gelsi's Chalk Up Sunday Victory

Under a hot sun, the Gelsi's Tavern team made it even warmer for Muir Woods VFW by downing them 19 to 11 last Sunday.

Neil Pezzola hit three for five, a triple, double and single. He drove in three runs.

Noonan hit two for three, driving in four runs, while "old reliable," Krohn, started things humming by hitting a single in the first inning with all bases loaded.

There will be no game next Sunday, but all fans are asked to watch the Sarto's in action at Seals Stadium benefit game.

Daly City Lions Club To Feature Public Schools Week Show

Joining in the 31st Annual Observance of Public Schools Week will be the Daly City-Colma Lions Club.

Meeting April 26 they will feature a program of music by local elementary school pupils under the direction of Mrs. Muriel Vint, music supervisor. Demonstrations of the program of safety education being carried on in the local and county schools also will be held.

The safety education program will be presented by Robert M. Moore, safety education consultant from the office of Miss Pansy Jewett Abbot, county school superintendent, and will include demonstrations of safety teaching equipment developed by Mr. Moore.

Lions Club members will have the opportunity of testing their "reaction time" in putting on the brakes of an automobile about to be involved in a (simulated) accident. (It was reliably reported that several of the Lions who make their living by selling insurance will insure fellow members against any of the risks involved in the simulated accidents.)

James L. Snell, local school superintendent, is in charge of the program.

Chairman Named For 1950 Coyote Point Shark Derby

Jack Edwards was named general chairman of the 1950 Coyote Point Shark Derby today by a joint committee representing the San Mateo Lions Club and the Coyote Point Yacht Club, who are co-sponsoring this fourth annual running of the only shark fishing competition in the United States.

The Shark Derby is staged each year at Coyote Point, San Mateo, to help in the development of outdoor recreational activities, particularly for youngsters. Last year on October 2, more than 20,000 spectators assembled there to watch 1247 fishermen, many of them under sixteen years of age, bring in 2163 sharks weighing about four tons. This broke all previous records. Some of the sharks caught are still alive in a special exhibition tank at the Steinhart Aquarium, Golden Gate Park, San Francisco.

Edwards, former commodore of the Yacht Club, enacted the part of Kink Neptune in the 1948 and 1949 events.

The joint committee set September 17 as the tentative date of the 1950 Shark Derby. A formal request for approval of the Coyote Point area for this date has been forwarded to the San Mateo County Recreation Department and the Board of Sujervisors.

President Theodore Roosevelt in 1908 named the Grand Canyon of the Colorado River, in Arizona, the nation's first national monument. It is now a national park.

VETS DUMP MERCHANTS; CINCH NIGHT LEAGUE BASKETBALL CHAMPIONSHIP

By Milton Tromborg

With only one more round left to go in the Jeff Night Basketball League, undefeated Veteran's Inn will cinch the championship if they win over Tiny's Daly City Inn Thursday, April 20.

The Vet's took their sixth straight game last week over the helpless V. V. Merchants, by the overwhelming score of 61-29.

Hoyt's Rally

Hoyt Heaters, standing with a 5 won, 1 lost record, will have to defeat the Seahawks to cinch second place in the league.

Last Tuesday evening, April 11, the Heaters had to rally to defeat a hustling Gigli Plumbers by the score of 44-37.

Outstanding player of night was Jack Dederman, who scored a high 15 points.

High scorer for Gigli was York, who tallied for 18 points.

Seahawks Lose

The mighty Seahawks, who were tied for second place with the Hoyt Heaters, had their apple cart turned over on them by winless Loafers by the score of 46-34, April 11.

The Loafers, who had failed to win one game in five starts, game through in the shooting department, and out-scored the Seahawks from start to finish.

Porte took honors for the Loafers in the scoring department with 16 markers, while Caldwell hit for 12 for the losers.

Neville Motors Lose

Playing heads up ball for 40 minutes, Tiny's Daly City Inn outscored Neville Motors April 13 by the score of 50-43.

In other games played two weeks ago, Veteran's Inn defeated the Seahawks 35-19, Hoyt's edged Tiny's Inn 45-43, Neville Motors won over Gigli Plumbers 41-33, while the V. V. Merchants won over the Loafers by a forfeit. In the final round, the Seahawks will play Hoyt Heaters, Gigli Plumbers take on the Loafers, Tiny's Inn will try to take the Vet's, and Neville Motors will play the V. V. Merchants.

Jeff Mermen Lose To Palo Alto Swimmers

Behind the efforts of Norm Cady in the 50 yard free style, the Jefferson High swimming team took their second defeat of the year from Palo Alto last Thursday afternoon at Palo Alto by the final score of 123-56.

The Jeff varsity lost 64-11, the 30s lost 31-26, as did the 20s, 28-19.

It was no shame losing to Paly, for they have gone undefeated in 56 meets, thus making it 57 in a row.

The Jeff varsity lost out in every event by not taking one first place. Stanley Davis took a good second in the 50 yard free style, as did Les Nicolini in the 100 yard free style, otherwise the Indians took thirds.

Norm Cady, the most outstanding swimmer on the squad, won his own private event, the 50 yard free style in the good time of 26:9.

Cady started swimming for the Indians last year and has not yet met defeat in either the 50 yard or the 100 yard free style. This year Cady is not swimming the 100.

Bill Allen won the 100 yard free style for the 30s in the good time of 1:04.2.

There is no doubt that Palo Alto has the best team in the P.A.L. They must be, if they can win 56 meets in a row without meeting defeat.

This Thursday afternoon, the Jeff swimming team will travel to San Mateo for a two-way duel meet.

Charter Amendm't. Suit Forecast

Whether or not proposed San Mateo county charter amendments reach the voters June 6, depends today on the outcome of a taxpayer's suit.

The suit has not yet been filed, but reliable sources in Redwood City report an investigation now underway to determine whether a court injunction can be had to prevent the supervisors from putting the measure on the ballot.

The charter amendments would, among other things, elect the supervisors by district, rather than by the county as a whole, and restore the position of county executive.

Those opposing the amendments are doing so on the grounds that a "package deal" is not legal, and that voters must cast a ballot for separate issues.

If District Attorney Louis B. Dematteis rules this to be legal, the board of supervisors will have no option but to put the issue on the June 6 ballot.

Scout Troop No. 249 Seeks Charter Renewal

A meeting was held at the Daly City recreation hall April 13 to organize a committee from the Bellevue Parent's club in order that Troop No. 249 may have their charter renewed which expires April 30.

The scoutmaster, Richard Traxler, is very anxious to keep the troop organized and the only way that this can be accomplished is through cooperation with the parents, especially the fathers of the boys in the troop. He has a fine summer program planned which can not be realized without the assistance from the troop committee and parents.

Just to give the public an idea of the spirit in this troop; at last count they were in either second or third place in the San Francisco council in the sale of tickets to the Scouting exposition to be held in the Cow Palace on May 5 and 6. This is quite a record for a newly-activated troop.

The following named men signed up for the committee: Bert C. Mckenna Sr., chairman; George Neuner, William J. Hunter, Orin Leroy Wakefield, committeemen.

Let's show our appreciation to the scouts and their leaders by visiting the exposition. The troop plans to have a refreshment booth at the May Day festival and serve as ushers at this civic function.

S.F. Mayor To Call Defense Meeting

Mayor Elmer E. Robinson of San Francisco announced this week he will soon invite mayors of all California cities to attend a conference here to form a united front in demands for federal action for civilian defense.

Robinson attacked federal postponement and buck-passing in defense planning for primary target areas, such as San Francisco, before a Congressional committee in Weshington recently. The mayor praised Paul J. Larson, new director of the Office of Civilian Defense Mobilization, saying that, with Congressional support, Larson "will try to give us guidance and cooperation on the federal level."

Epiphany Church Whist Party This Sunday

A special whist party is to be held this Sunday at 8 o'clock in the Church of Epiphany, Naples and Italy, San Francisco. Everyone is invited to attend.

Money from the affair is to be used by the church to build an Epiphany Youth center in the parish.

Broadmoor Cubs In North County Cub-O-Rette This Sunday At San Bruno

A full afternoon of fun and entertainment will be offered all local residents this Sunday at the annual North District Cub-O-Rette in San Bruno park.

Everyone is invited to attend the festivities, the theme of which is a County Fair, beginning at 2:30 p. m. The park is just off the Crystal Springs road.

Taking an active part in the big show will be members of Broadmoor Cub Pack No. 84. The boys have been working for the past month on a comic strip skit. Each of the members will, via masks and costumes, represent some character from the funny page.

In addition, the lads will feature a game of skill and sell home made candy and cookies.

Bringing the customers into the side show for the Cubs will be Audrey Monroe, a professional barker. His "shadow" will be Ronald Wold. Young Wold will imitate the motions of Audrey, although not a word will escape his lips.

Taking part as comis strip characters will be: Garry Cowden and Garry Huston in the Dick Tracy skit; Bill Teeter and Mike Deal in the Bugs Bunny show; Dick Tomlinson and Richard Drake in the L'l Abner sketch; James Gustafson, Richard Schweitzer and David Nurse as Blondie characters.

Preceding the show in San Bruno park, the participants in the Cub-O-Rette will stage a parade through the streets of San Bruno. The march gets underway at 1:30 from in front of the San Bruno fire station.

Remember—everyone is invited to attend, and for an afternoon of fun and excitement nothing can surpass the annual Cub-O-Rette this Sunday, April 23.

Olivette Blanche grapes are thin-skinned and do not lend themselves well to shipping for this reason.

Saddle Offered In Exchange - - -

Although a motorist "found" a stolen horse on Junipero Serra last Sunday evening, the sheriff's office today is looking for the thief and the owner of a saddle.

Janet Harrington, 124 Commonwealth, San Francisco, was coming north on Junipero Serra at 8:26 p.m. when a horse darted out of the Big Bear Lumber Co. yard and into the path of her car.

Slamming on the car brakes, the San Francisco woman was unable to avoid hitting the animal. However, the force of the blow only lacerated the horses legs and neck, and police report the beast will recover.

A brief inquiry around the neighborhood disclosed that the horse belonged to John Vers, 741 Hanover.

From this police surmised that someone had stolen the animal, put a saddle on its back and ridden away. Somewhere along the route the horse must have thrown the rider, and run out onto the boulevard.

Not only is the thief without a horse today, but also without a saddle. The sheriff's office reports it will be happy to return the saddle, if the unidentified rider will make his presence known.

Bach Cantata At S. F. Lutheran Church Sunday

As a special musical treat, the Trinity Lutheran Church, South Van Ness near Eighteenth, will present a Bach Cantata this Sunday, beginning at 8 p.m.

The choral groups will be supported by organ and string accompaniment.

Everyone is invited to attend, especially music lovers, as the Cantata to be presented is one of Bach's best known and loved works.

Mission Festival To Be Held July 30

La Honda's annual Mission festival will be held Sunday, July 30, Chairman Edwin J. (Bud) Duggan announced this week.

The festival will be preceded in the morning by an open-air military memorial mass dedicated to the memory of California war heroes.

Site of the festival this year is La Honda Grove.

Margaret E. Kyne of Half Moon Bay and Dr. Leo J. McMahon of San Francisco are serving as vice-chairman and entertainment chairman, respectively.

Judge John J. Fahey Jr. of Daly City served as vice-chairman of the festival last year.

Daly City Band Needs Members

Can you play a musical instrument?

Yes, well then why not give the Daly City Band a helping hand? They are badly in need of players, especially those familiar with the clarinet, flute, saxophone, trombone, baritone, basses, and drums.

Unless the band has new players it will have to disband. This has been a going institution in Daly City for the past 25 years, and it is hoped it will continue to "blow and toot" the glory of this community for a good many more years.

Those interested in playing for the band are asked to contact George Brenner, bandmaster, at PR 5-6043, or at the weekly rehearsals. Rehearsals are held each Tuesday a 8 p.m. a Fire Station No. 5, Oliver street and Bellevue avenue.

ON THE SPOT — Circus-gay coin dots and curve-hugging shirring make a pert one-piece swim suit for Rae Stratton who vacations at Miami Beach, Fla. The seersucker suit has an adjustable halter tie and is finished with a saucy hemline ruffle.

By a Congressional Act in 1853, California was granted 46,000 acres of land for the benefit of a "seminary of learning," and 6,000 acres for public buildings.

S. M. County Cities Expected To Fight Phone Rate Boosts

San Mateo county cities today were forming a solid front against the proposed Pacific Telephone and Telegraph Co. rate boosts.

Early last week the company asked the State Public Utilities Commission for a state-wide 10 per cent increase, and the abolishment of five cent pay phones.

Officials of San Mateo, Burlingame, Millbrae and South San Francisco have expressed dissatisfaction with the proposed rate increases.

Daly City officials, as well as the majority of users, are expected to object. Whether or not the city council will make any move to support opposition to the hike, depends on public opinion.

The average individual flat rate, if the increases are granted, will go from $4.50 to $4.75; two-party flat rate, $3.50 to $3.75; four-party flat rate, $3 to $3.25.

According to the company, the increase is necessary to finance its $571,000,000 expansion service.

REHEARSING FOR "INVASION"—Members of the 82nd Airborne Division who will participate in Exercise "Portrex" are seen jumping in mass formation in preparation for the joint airborne-amphibious operation to be held in the Porto Rican area, providing training for units of the Army, Navy, and Air Force in the largest three-service maneuver ever held. (Official Department of Defense Photo)

CANDIDATE

A. P. Patten

Educator Seeks Superintendent Of Schools Job

Alva Philip Patten, candidate for the position of superintendent of schools of San Mateo county, had a broad training and a wide experience in the field of education, including elementary, secondary and college levels.

His experience in the business world assures a sane, practical, business administration in the county school office.

Patten was graduated from Pacific University at Forest Grove, Oregon, in 1915; later took graduate work at the University of Oregon and at Stanford University where he received a master of arts degree.

His first teaching experience was in the high school at Hillsboro, Oregon, where he was teacher and principal 1915-18. He then entered the army, attended officers' training school, received commission and was discharged shortly after the Armistice. For two years he taught history at Lincoln high school in Portland and then went to Boise, Idaho, as Y.M.C.A. secretary.

He later was field representative for the United Y.M.C.A. Schools and in 1923 returned to Lincoln high school to teach history and mathematics. Two years later he went to Pacific University as dean of men and executive secretary.

Following his work at Stanford, Patten was offered a position in Modesto as principal of the Roosevelt school. After six years he was transferred to the Modesto Junior College to teach psychology.

In 1935 he accepted the position of district superintendent of schools in the Placentia Unified school district in Orange county.

Eureka called in 1942 and Patten became principal of the high school and coordinator of secondary education.

The USO Mobile Service attracted Patten in 1943 and he became director of that service in Humboldt and Del Norte counties. He was transferred to San Mateo county in 1945 where he continued until the USO was closed.

Following his interest of many years he then opened the Camera and Sport Shop in Redwood City. Three years later this was changed to the Sequoia Audio-Visual and School Supply Service. Patton calls on the schools of San Mateo and Santa Clara counties and keeps in close touch with school affairs.

Patten ever since the beginning of his educational work has taken an active interest in community affairs such as the chamber of commerce, service clubs, Boy Scouts, churches, Red Cross, Community Chest, and fraternal orders. He is a member of the Redwood City Kiwanis Club and is chairman of the Redwood City Public Library Board.

Patten is married and has three daughters.

DOCKSIDE CONCERT—Polish pianist Stanislaus Niedzielski sits on a keg of nails at the pier to give a workout to the piano he brought with him on his arrival by steamship in New York. The concert grand is still in its specially built trailer in which he carries it on a tour of the U. S. The pianist has already appeared in Carnegie Hall, New York.

CITED FOR AIRLIFT PLANNING—During a special ceremony in the Pentagon Building, Washington, Gen. Hoyt S. Vandenberg, left, chief of staff, U. S. Air Force, pins the Legion of Merit on Maj.-Gen. Joseph Smith for his work in organizing the Berlin airlift. General Smith, who now lives in Alexandria, Va., is from Scranton, Pa.

GI SINGS OPERA—Robert L. Charlebois, right, 26, former U. S. Army sergeant and now entertainment director of the Army's Special Services in Munich, chats with Fritz Wolff, professor of music, who found that Charlebois was a fine Wagnerian tenor. The ex-sergeant, from Minneapolis, has been selected to sing leading roles in the 1951 Bayreuth Wagner festival.

More than a hundred ore and grain ships daily traverse the Sault Ste. Marie Canal during eight months of the year.

San Francisco has 4,000 acres devoted to recreation, including parks, golf courses and swimming pools.

The most winding street in the world is one block of San Francisco's Lombard street, with eight twists and turns between intersections.

RECIPE OF THE WEEK
By Mary Lee Taylor

Glazed Pork Patties

1 lb. bulk pork sausage
¼ cup corn meal
⅓ cup Pet Milk
1 tablespoon hot shortening
1 cup canned, jellied cranberry sauce*
¼ cup water

Mix sausage, corn meal and milk. Shape in 8 flat patties. Brown slowly on both sides in shortening. Drain off all fat. Mash cranberry sauce with fork; stir in water. Pour over and around patties. Cover; cook over very low heat 20 min., or until patties are nicely glazed. Turn patties now and then during cooking period. Serve hot. Makes 4 servings.

*Whole cranberry sauce can be used.

You will need:
Pet Milk, Pork Sausage, Jellied Cranberry Sauce, Corn Meal and Shortening

NEW TWIST — The versatile kerchief takes a new turn for spring, pinch-hitting as a gilette under a lightweight suit. The 36-inch, pure silk scarf is tied at the back of the waist and drawn through a necklace at the throat.

SM County Shows Industry Lead

Showing a 25 per cent increase in new industrial plants during 1949, San Mateo county topped nine other Bay counties.

The county had 228 plants in 1947, and added 57 during 1949. There was also a 13 per cent increase in the amount of investment in new plants, $7,834,500. The figure was compared to a total of $60,228,000 for sales less cost of materials during 1947.

The figures were made available by the Bay Area council, who sited them as "an indication of how manufacturers feel about the Bay Area as a place in which to set up business and grow."

SEEKS ELECTION

E. B. Whitmore Sheriff Candidate Whitmore Launches Election Campaign

A full-scale effort to gather the support of the voters of San Mateo county was launched this week by Earl B. Whitmore, candidate for sheriff.

Whitmore announced today that he has secured the services of Wilbur A. Bishop, former San Carlos Enquirer publisher, as campaign and publicity manager.

Whitmore, on leave of absence from the Redwood City police department after nearly nine years of service, is attending Lincoln Law school in San Francisco.

"We intend to ask the support of every citizen and voter in Daly City and in every other city and area of the county," Whitmore said. "It is my feeling and apparently that of many San Mateo residents that the incumbent sheriff's 23 years in the office has been long enough and that a change is necessary to place a man in office that can actively pursue the duties required of the sheriff of a county the size and importance of San Mateo," Whitmore emphasized.

Bishop, who retired as publisher of the San Carlos Enquirer on April 1, said, "I have watched the sheriff's campaign developing during the past two months and of all the candidates opposing the incumbent, I honestly believe that Whitmore is the only one with the necessary qualification of law enforcement experience needed to handle the duties of sheriff."

A resident of San Mateo county for 26 years, Whitmore pledged: ". . . to bring modern methods and a businesslike administration to the all-important office of sheriff if elected by the people of this county. I pledge an administration built on a foundation of just, fair and equal enforcement of all laws for the best interests of all our citizens. I realize and understand the necessity for an evenly balanced law enforcement program."

VOTE FOR

EARL B. WHITMORE

for

SHERIFF

San Mateo County

QUALIFIED:

- Nine years experience in law enforcement.
- Local FBI sponsored school training.
- Resident of San Mateo County for 26 years.
- Married, 3 children.
- Veteran.

Bocci Asks For Boys Club Support

Speaking on juvenile delinquency, Thomas Bocci Jr., candidate for justice of the peace of the First Township, addressed members of the Holy Names Society Sunday.

Bocci reiterated his belief that a Daly City Boys Club is badly needed to stem juvenile delinquency in this community.

"I hope each and everyone of you will take an active interest in helping to finance and reorganize the Daly City Boys Club," Bocci said.

The 50 members present at the breakfast asserted they will assist in any way possible the activities of the Boys Club.

Bocci was recently appointed legal advisor to the Club which is now under the process of organization.

Sweeney & Sons To Offer Automatic Transmission Soon

Studebaker dealers across the United States will soon have available 1950 Studebaker passenger cars equipped with the company's new fully automatic transmission.

This announcement was made today by William J. Sweeney and Sons, 6806 Mission, Daly City Studebaker distributors.

Offered as optional equipment at extra cost, the unit will retail for $190, plus excise tax. Sampling of dealers should be completed early in May.

Installations on a production basis culminate nearly 15 years of research and experimentation by the engineering staffs of Studebaker and Borg-Warner. The transmission meets a long list of rigid requirements established by Studebaker technicians as far back as 1934, according to Stanwood W. Sparrow, vice president in charge of engineering.

D. C. Blaze Busters Assist S. F. Fire Laddies

Always ready to be a good neighbor, the Daly City Fire Department Sunday noon put out a house fire for the San Francisco department.

Residents of 25 San Luis avenue, just across the county line, turned in the alarm on two Daly City alarm boxes. Local hose hoisters responded, and had the fire under control before San Francisco firemen arrived.

Damage to the home was not estimated in dollars, although a bedroom and three other rooms will need repairs. The cause of the blaze was not known.

Only three States depend more on artificial watering than Arizona.

ARTERIES OF STEEL for carrying natural gas to California consumers are being fabricated in the form of 34-inch diameter pipe at the South San Francisco Plant of Consolidated Western Steel Corporation, a U. S. Steel subsidiary. This pipe, the largest diameter of its kind ever fabricated, will be part of P. G. & E.'s Super Inch Gas Line running 506 miles and connecting with a 1,600-mile pipe system to Texas and New Mexico fields. Elinor Maxwell is shown assisting Frank Guillory in attaching an identifying banner to the pipe as it leaves by rail for the Super Inch project.

Tormey Denies Current Rumors

James R. Tormey, candidate for San Mateo county superintendent of schools, today issued a flat denial of stories being circulated that, if elected, there will be "wholesale firings" in the county office.

Believing that a fundamentally excellent staff of supervisors already exists, he does not plan any changes in the present personnel; he believes the staff can be made most effective by "administrative leadership which is not concerned with personal power but is marked by a willingness to operate through democratic procedure."

Tormey also branded as "malicious tales without foundation" reports that individuals have been promised specific jobs. He states that definitely "he has not made and will not make a single commitment to any person or group to place anyone in any job."

Tormey, who has conducted many teacher training courses and has handled administrative duties which include employment of teachers and organization of curriculums and budgets, is basing his campaign on a broad program of education, suited to the county's tremendous growth in the past ten years, which he is particularly fitted to administer.

CHILDREN'S HELPING HAND — Hollywood actress Barbara Britton addresses envelopes for the California Society for Crippled Children's 1950 Easter Seal campaign. The campaign to raise funds for the care and treatment of handicapped children will be in progress throughout the United States between March 9 and April 9.

Army Needs Young Men

Young men and women who are interested in a career with the army or air force should investigate immediately, stated Sgt. Robert Frye, local recruiting officer for San Mateo.

Sgt. Frye stated that if men are between the ages of 17 and 35, possess high mentality ability and excellent physical condition, may be eligible to choose one of the choice careers in the army or air force.

He also stated that women are required to be between the ages of 18 and 35.

Sgt. Frye said that applicants need not possess high school diplomas, but rather pass the equivalent armed forces test.

He said that with the services an enlistee may continue his or her education while in the service up to equivalent of two years college training, in addition to the trade schools available, plus free lodging, food, clothing and medical expenses, and receive pay from the government while learning.

Your recruiting sergeant will be in your town on each Monday. Further information may be obtained by visiting the U. S. Army and U. S. Air Force recruiting office, Room M5, Post Office building, San Mateo, or by telephoning DI 3-6490.

DRAIN ON BATTERY

The car radio, lights, heater and other electrical accessories should never be used extensively when the motor is not running, advises the California State Automobile Association. Even the best battery can store only a limited amount of electrical energy, and the battery will be rapidly discharged if electrical equipment is operated with the motor shut off.

Navy Has Plan For High School Grads

The Navy assures qualified high school graduates of a course in one of its many vocational schools upon completion of their basic recruit training. In addition to basic submarine and airman schools there are over 30 other schools available.

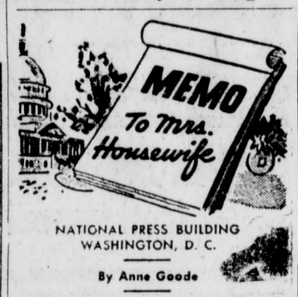
The electronics field is one which offers superior technical training, and is one in which you can carve a successful and profitable career, whether you remain in the Navy or return to civil life. If you are interested in electronics, you should contact the nearest Navy recruiting station and request a copy of the illustrated pamphlet titled The Navy Offers You a Rich Future in Electronics.

You will be interested, also, to learn that more than 40 per cent of the officers serving in the Navy today are former enlisted men. This means that there are real opportunities for advancement through the enlisted channels.

Complete information about the Regular Navy and the Naval Reserve can be obtained from your nearest U. S. Navy recruiting station, Post Office building, San Mateo, phone DI 4-2781.

DANGER ZONES

Intersections, curves and hill crests are danger zones for the driver, warns the California State Automobile Assocation. When you approach these danger zones, keep alert, keep your speed down, and keep to your own lane of traffic until you can pass with complete safety.



NATIONAL PRESS BUILDING
WASHINGTON, D. C.

By Anne Goode

To prolong the life of linens, rotate their use. As towels, sheets, tablecloths come back from the laundry, place them underneath those still left on your closet shelf. If you do your own, don't iron creases and folds in the same place each time and be careful not to make razor-knife folds.

★ ★ ★

When next you serve sliced cheese, tomatoes or egg sandwiches, spread the bread with a mixture of ¼ cup vitaminized margarine blended with 2 teaspoons minced onion. For hamburgers, bologna and frankfurters, try ¼ cup vitaminized margarine blended with 1 teaspoon mustard-with-horseradish. Are enough for 12 slices of bread.

★ ★ ★ ★

Eggs are cheaper than they've been in a long time. And an ingenius menu-maker will keep in mind the many delicious main dishes the mighty egg can make — souffles, omelets (in all their variations), fondues, deviled eggs, baked eggs, creamed eggs, egg cutlets, eggs Florentine, eggs a la Benedict — to mention a few.

★ ★ ★

Does every wash day leave you with several odd socks . . . a blue, a green and a yellow? No amount of sleuthing seems to unearth their mates! So the next best thing is to remove all the color, and dye them to match with an all-purpose dye.

★ ★ ★

To clean copper pot bottoms—or any copper, for that matter — dip a lemon wedge in salt and rub the copper surface until it shines like new.

Postman Filing Date Is Extended

Postmaster John F. Fixa today announced that the closing date for filing applications for post office clerk-carrier examination has been extended until 5 p.m. Monday, April 24.

Application forms may still be secured at main office, 7th and Mission streets, Rincoln Annex post office, Spear and Mission streets, and U. S. Civil Service office, 630 Sansome street.

Basic rate of pay for substitutes is $1.31½ per hour, and from $2,370 to $3,970 per year for regular employees.

Receive Penn Mutual Award

Two representatives in Daly City of the Forrest J. Curry Agency of the Penn Mutual Life Insurance Company will be among the 46 agency members to receive the President's Award—highest honor ever created in the 103-year history of the company.

They are Arnold L. Panella of 61 Cliffside drive, and Roger C. Jackson of 166 Wyandotte. The award was presented in a special ceremony on Friday evening, April 14, at a formal dinner in the Florentine Room, Claremont Hotel, Berkeley. There were approximately 150 agency members and guests in attendance.

CHAMP CLAM EATER IN ACTION—Dick Taylor eats 272 clams in Seattle, Wash., to win the title of champion clam eater. An attendant pours another bucket of clams on Taylor's plate as the winner continues to eat without breaking his stride. Taylor ate the clams in just 10 minutes.

Sacramento Scene Of Eurcharistic Congress

The presence of Samuel Cardinal Stritch of Chicago for the Solemn Eucharistic Congress which will be held in Sacramento April 28, 29 and 30 in observance of the 100th anniversary of the first Catholic Mass in Sacramento will mark the first time a cardinal has made an official visit to northern California.

A delegation from Daly City will join with visitors from virtually every part of the state to participate in the three-day program which will be climaxed on April 30 by a Solemn Pontfical Mass at the State fair grounds. The sermon will be delivered by Cardinal Stritch, who will preside over the Mass. The celebrant will be Bishop Robert J. Armstrong of the diocese of Sacramento.

Cardinal Stritch also will preside over the Solemn Pontifical Masses to be offered April 28 at the Cathedral of the Blessed Sacrament, and April 29 in the Memorial auditorium.

Cardinal Stritch is the spiritual head of an archdiocese which numbered 1,652,587 Catholice when he was appointed to the post in 1940.
